PARKING REGULATIONS
NEIGHBORHOOD PARKING PROGRAM – CLIFTON 24HR
2015/2016

RESIDENT HOMEOWNER ELIGIBILITY: Residential boundaries for the Clifton 24 Hour Area Resident permit will be: Altgeld on the north; Armitage on the south; Halsted on the east; and Wayne on the west. Homeowner must reside at the property address within the boundaries of the program. Proof of residency is required at the time of permit purchase. To demonstrate residency, you are required to present 2 ID’s with your current address (e.g. driver’s license, state of Illinois ID, etc.) or 1 ID and 1 proof of residency such as a utility bill with your name and current address. Limit one per household. The university reserves the right to change, at any time, the conditions set forth in this document.

PURCHASING TERMS: The rate charged for the 2015/16 academic year will be $300. NO REFUNDS will be issued for this permit.

CLIFTON PARKING GARAGE: Area Resident homeowners purchasing a 24 Hour Clifton ONLY parking permit will be issued a special parking sticker which must be displayed in accordance with University regulations. Area Resident homeowners that received an access card last year should bring it with them to renew the privilege. New users will also be issued an access card. Parking in the Clifton Garage will be first come, first serve on a daily basis. All Area Residents purchasing a Clifton 24 Hour permit are allowed to park 24 hours a day, 7 days a week in the Clifton Parking Garage ONLY. DePaul University reserves the right to modify future operating times. The facilities and surface lots are not to be used for storage. Motorcycles are not permitted in the parking garage. Your vehicle must be moved once a week out of the garage to prevent it from being towed.

DRIVER RESPONSIBILITY: Automobiles must be operated and parked in a manner that assures the safety of other vehicles and pedestrians in the deck. Parking is permitted in marked stalls only. Responsibility for finding legal parking stalls rests with the vehicle operator. Lack of parking spaces, mechanical problems, inclement weather or other disabilities does not justify parking violations.

PERMIT DISPLAY: It is the vehicle owner’s responsibility to display the permit in accordance with the University parking regulations. A “sticker” permit must be attached to the inside of the front windshield on the right hand (passenger) side. A parking permit is not considered valid unless it is displayed correctly on the vehicle. The issued permit sticker is valid September 1st through August 31st.

REQUIREMENTS: Area resident homeowners must register any motor vehicle to be parked in the Clifton garage or surface lots. Any changes to registered vehicles, (including plate number changes or any other vehicle information) must be reported to Parking Services in order for a permit to be valid.

ENFORCEMENT: General enforcement will be in place 24 hours a day, 7 days a week, year round. The Public Safety and Parking Services Offices are authorized to remove, at the owner’s expense, any vehicle not displaying the permit. The Public Safety and Parking Services Offices are authorized to remove from the University property, without warning, any motor vehicle under the following circumstances: an abandoned vehicle; a vehicle parked in a fire lane or blocking a drive; a vehicle displaying a reported lost or stolen, forged, or altered parking permit; a vehicle illegally parked in a handicap space.

LOT CLOSURE: The Clifton Garage is closed for DePaul’s winter break each year. Clifton only permit holders will be allowed to park in DePaul surface lots during the winter closure. At other times during the year, a special event may dictate the closure of a certain parking lot. In this case, a sign will be prominently posted no less than 24 hours in advance of the event. Every effort will be made to contact permit holders prior to the event to avoid towing relocation of the vehicle. During the summer months, any and all lots are subject to closure depending on the needs of the University.

SNOW REMOVAL: After or during snowfall of 2” or more, all surface lots are closed for snow removal from 10:00 PM until 7:00 AM. All vehicles must be removed from all lots. All vehicles parked on the top levels of the garages must be removed to clear snow.

VEHICLE ACCIDENT: Vehicle accidents occurring on University property must be immediately reported to the Public Safety Office.

LOST OR STOLEN PERMITS: The theft or loss of a parking permit or access card should be reported to the Parking Services Office promptly after discovery. After a report has been filed, a lost or stolen permit will be replaced for a $20.00 fee. The cost to replace a lost or stolen access card is $15.00. Recovered lost or stolen permits should be returned to the Parking Services Office immediately.

REVOCATION: The parking permits and their privileges remain the property of the University. A person who obtains a parking permit and is in violation of University parking regulations, or incurs multiple parking violations during the academic year, may have his/her parking permit and/or access card revoked by University Parking Services.

LIABILITY: No liability is created by the granter of parking or vehicle operating privileges on property owned, leased, or otherwise controlled by DePaul University. The University assumes no responsibility for the care and/or protection of vehicles or its contents while operated or parked on University property. The University Public Safety Office, however, does make regular tours of all parking facilities.
