Follow the steps below to apply for student housing at DePaul:

- Please complete your Housing Agreement as soon as possible after acceptance to DePaul. On-campus student housing is not guaranteed and is in high demand. On-campus housing at DePaul is assigned on a first-come, first-served basis according to the date your Housing Agreement, prepayment, and parent/guardian voucher (if applicable) are received by the Department of Housing Services. The earlier your Housing Agreement is submitted and completed, the better your chances of receiving your top-ranked preferences. Please note that depending on your preferences and the date your agreement is completed, you may be assigned to converted or temporary housing. For more information, please see our website at housing.depaul.edu/faq.

- Fill out the 2012-2013 Housing Agreement online by logging in to Campus Connection at: campusconnect.depaul.edu. Your user ID and password were sent via email when you applied and are included in your acceptance letter from the Office of Admission.

- After you have logged in to Campus Connection, click on For Admitted Students under the main menu. Select Next Steps. Proceed by clicking the Campus Housing link.

- A $200 prepayment is required in order to process your Housing Agreement. You will have the opportunity to make this prepayment online when you submit your Housing Agreement, or alternatively will be given instructions to pay via mail or phone.

- The Housing Agreement is a legally-binding agreement between the student and the university. As you complete the Housing Agreement online, please make sure to read all the instructions, terms and conditions.

- Housing Services offers DePaul RoommateGateway as an option for students to find and request compatible roommates. RoommateGateway is an online portal that allows you to create a profile and search for a potential roommate. Roommate preferences are not guaranteed but are strongly considered in the assignment process. You are not required to use this service, and further information can be found at the end of the completed online Agreement.

- Review the current rate sheet located in the Find Your Place brochure. Housing rates for 2012-2013 will be available on the Housing Services website after April 1, 2012, and historically increase less than 5 percent over the previous year.

- If you need to cancel your Housing Agreement, provide Housing Services with written notice as soon as possible or complete an online form at housing.depaul.edu/cancel. If you cancel after May 1, 2012 (freshmen) or June 15, 2012 (transfer students), you may be subject to a cancellation fee. Please refer to Section 5 of the Housing Agreement Terms and Conditions for complete information.
