Who is the SEIU?

The 2 million-member Service Employees International Union (SEIU) is:

- The largest healthcare union in North America with more than 1.1 million members including doctors and nurses, home care and nursing home workers, lab techs, environmental service workers and dietary aides.

- America’s largest union of property services workers representing approximately 250,000 janitors, security officers, maintenance and custodial workers, stadium and arena workers and window cleaners.

- The second largest union of public service employees with more than 1 million local and state government workers, public school employees, bus drivers, and child care providers.

Nationally, SEIU has successfully negotiated only a handful of higher education contracts. SEIU Local 73 has never successfully negotiated a contract on behalf of college or university faculty.
