

DEPAUL UNIVERSITY

Business Administration Pathway for Harold Washington College/Aon Apprenticeship Program

Building on the partnership between Harold Washington College and DePaul University, students earning an Associate of Applied Science (A.A.S.) in Management/Marketing through the Aon Apprenticeship Program are now eligible for **guaranteed admission** to DePaul University's School of Continuing and Professional Studies, a long-standing leader of providing educational opportunities for working adults.

This partnership includes:

- **Guaranteed acceptance of credit earned in the approved A.A.S. degree curriculum in both Insurance and IT tracks**
- **Discounted tuition rate, 25% lower than the university's undergraduate tuition**
- **Flexibility to choose between online or evening classes at the DePaul Loop Campus to create a schedule that works for you**
- **Ability to complete a Business Administration bachelor's degree in as little as 24 months**

DePaul's B.A. in Professional Studies with a major in Business Administration builds knowledge and skills for employment in corporate and nonprofit settings. In this program, you will build a skill set in project management, human resources, risk management, leadership, workplace law, globalization, ethical conduct, data analytics and professional communication needed to succeed in your career.
