

Referral for the TRP DACA Fund

What is the DACA fund?

The DACA Fund is a scholarship and does not have to be paid back. It is intended for DACA recipients who must renew and who do not have sufficient funds to do so.

How does it work?

1. TRP meets with client about their need.
2. TRP will make checks out to USCIS for the full amount.
3. If the DACA recipient wants to contribute some amount, they can donate to fund and Pay It Forward!

How can you help a DACA recipient apply for the fund?
