To Whom It May Concern,

This is to confirm that DePaul University is adopting a hybrid model for the 2022-2023 academic year. To respond to the continued national and global COVID-19 public health crisis, DePaul will offer its students a mixture of online and in person classes.

This information has been conveyed to SEVP as part of the COVID-19 procedural adaptation permitted to schools. DePaul faculty will continue to provide oversight both in-person and through a combination of various available technologies to conduct classes.

Our students are required to enroll in a full course of study each term. Initial students are required to enroll in an in-person class and may take additional online courses. Returning students may choose from a mixture of online and in person classes.

Please note that DePaul's Academic calendar provides all students the following deadlines to add classes and finalize their course schedules:

Summer Quarter 2022: June 15, 2022

Fall Quarter 2022: September 13, 2022

Winter Quarter 2023: January 8, 2023

Spring Quarter 2023: March 31, 2023

Summer Quarter 2023: June 18, 2023

Thank you for your understanding during these difficult times. We ask for your favorable consideration in granting our students F1 visas and allowing them to enter the U.S. to participate in their academic program. Should you require additional information please feel free to contact a DePaul Designated School Official at iss@depaul.edu.

Sincerely,

International Student and Scholar Services
