Notes on data:

- INTL are students who were educated outside of the United States for at least part of their education.
- There are students enrolled in multiple colleges or taking undergraduate and graduate coursework. In these cases, the students are double counted in the college and level breakdowns.
- All totals are distinct counts. (Please note that IRMA uses a collapsed headcount in their reported totals, meaning students could be double-counted if they are taking undergraduate and graduate courses.)
- INTL students included in all counts, except OPT and J1 Scholars.
- Drop in 2019-2020 numbers may be due to the COVID19 pandemic that started in Spring 2020
