**Notes on data:**

All Pages

- INTL are students who were educated outside of the United States for at least part of their education.
- There are students enrolled in multiple colleges or taking undergraduate and graduate coursework. In these cases, the students are double counted in the college and level breakdowns.
- All totals are distinct counts. (Please note that IRMA uses a collapsed headcount in their reported totals.)
- INTL students included in all counts, except OPT and J1 Scholars.
