I Don't Have a Social Security Number - can I still apply?

A state law that went into effect on January 1, 2005 allows the Illinois Secretary of State to issue temporary visitor driver's licenses to foreign nationals who have been granted temporary, legal entry into the United States and who reside in Illinois, but are ineligible to obtain a social security number. The temporary visitor driver's license can be issued for three years or the period of time that the foreign national is authorized to be in the U.S. - whichever is earlier. Foreign nationals will need to prove their legal presence in the U.S. with USCIS documents. Please see the back of this handout for more information.
