What is Optional Practical Training (OPT)?

“Temporary employment for practical training directly related to the student’s major area of study”

- OPT is off-campus employment authorization for F-1 students that may be obtained from U.S. Citizenship and Immigration Services (USCIS) to lawfully pursue employment in your academic field of study.

- You are eligible to apply for OPT once you have maintained your F-1 status (full-time enrollment) for a minimum of one academic year. At DePaul University this is equivalent to at least three (3) consecutive quarters.

- F-1 students may apply for a total of 12 months of OPT to be used before completion of studies (pre-completion OPT) and/or after completion of studies (post-completion OPT).

- F-1 students are eligible to apply for 12 months of OPT at each educational/academic level (i.e. Bachelor’s, Master’s, PhD). Students who complete two degrees at the same educational/academic level (e.g. two Master’s degrees) are not eligible for additional OPT time after completion of the second degree.

- Some students in an eligible STEM (science, technology, engineering or mathematics) degree program may be eligible to apply for a 24-month extension of their OPT authorization. Please review separate OPT STEM tutorial on ISS website for details.

## Application Deadlines

**Pre-completion OPT**
No earlier than 90 days before desired employment start date.

**Post-completion OPT**
USCIS must receive your application no earlier than 90 days prior to your degree program completion date and no later than 60 days following your degree program completion date.

In most cases, we recommend that you apply as early as possible to avoid unexpected delays.
Which OPT Should I Request?

Pre-Completion OPT

Have you been in F-1 student status for one academic year? At DePaul University, one academic year means full-time enrollment for at least three (3) consecutive quarters. You may be able to count the time you spent at other U.S. schools in degree programs as long as your SEVIS record was transferred directly to DePaul University. Enrollment in English language programs cannot be counted toward meeting this requirement.

Have you considered using Curricular Practical Training (CPT) instead? For many students, CPT can be a better option. It allows you to get work experience in your field of study without using any of your 12-month OPT allowance. Please see the ISS website for a detailed description of Curricular Practical Training.

Will your job offer still be valid three months from now? OPT processing can take 60 to 90 days and you may not begin employment before receiving authorization. If your employer is not willing to wait for your authorization approval, OPT may not be the best option for you.

Do you plan on applying for the 24-month OPT STEM extension or the H-1B cap gap extension in the future? Only eligible post-completion OPT students may apply for these two extensions. If you plan on applying for either of these extensions in the future, you must have at least part of your original 12-month OPT allowance remaining to use as post-completion OPT.

Are you willing to use some of your 12-month OPT allowance? You will not have a full year of post-completion OPT time after degree program completion if you are authorized for any pre-completion OPT.

Post-Completion OPT

Have you been in F-1 status for one academic year? At DePaul University, one academic year means full-time enrollment for at least three (3) consecutive quarters. You may be able to count the time you spent at other U.S. schools in degree programs as long as your SEVIS record was transferred directly to DePaul University. Enrollment in English language programs cannot be counted toward meeting this requirement.

Will you be completing your program of study at DePaul University within the next 90 days? Your application for OPT cannot be submitted to USCIS any earlier than 90 days before your degree program completion date.

Are you enrolled full-time this quarter or authorized by ISS to have a reduced course load? If eligible, you must receive a reduced course load authorization from ISS before enrolling less than full-time.
How to Request/Apply for OPT

Step 1: Submit OPT request form to ISS to obtain OPT I-20 form.

*Please allow 5-7 business days for review/processing. If your request is incomplete, it will require more time.*

Step 2: Prepare your OPT application forms and supporting documentation.

Step 3: Mail your complete OPT application to U.S. Citizenship and Immigration Services (USCIS).

*Please allow at least several business days before the filing deadline(s) for shipping.*

*ISS strongly recommends that you carefully review this entire OPT tutorial for detailed instructions and important information about your OPT authorization requirements and responsibilities*
The OPT I-20 Request Form

To request your OPT I-20 form, you must submit a completed OPT recommendation form to the ISS. You can find the form on ISS website: https://offices.depaul.edu/global-engagement/student-resources/student-services/Pages/employment.aspx

Choosing Authorization Dates
On the OPT recommendation form, you must indicate what dates you would ideally want your employment authorization to begin and end before submitting it to ISS. Your recommended OPT dates are subject to change based on USCIS processing times.

Your recommended OPT dates will be printed on your new OPT I-20 and cannot be easily changed after processing. If approved by USCIS, your OPT dates cannot be changed and will be printed on your EAD card.

- Your recommended OPT start date is the day you would ideally like your EAD card to become valid and when you would ideally like to begin off-campus employment.
- Your recommended OPT end date is usually 12 months later minus one (1) day unless you request a shorter period of time.

If you change your mind about your authorization dates
You will NOT be able to adjust your recommended OPT dates once you have mailed your application to USCIS without withdrawing your application completely. Consider the authorization dates carefully before submitting your OPT recommendation form to ISS.
The OPT I-20 Request Form

Academic Recommendation
Your Academic Advisor will complete the bottom portion of the OPT I-20 Request Form. Note, your ISS advisor is not your academic advisor. If you are not sure who your academic advisor is, please contact your academic department.

Expected Program Completion Date
The degree completion date for OPT purposes is the last day of the quarter in which you complete your degree requirements. Your degree completion date may not necessarily be the day of your graduation ceremony or the expiration date on your current I-20.

PLEASE review DePaul’s Academic Calendar: https://offices.depaul.edu/academic-affairs/Pages/default.aspx for DePaul University’s term end dates.

For students completing their program in the summer term: please be sure that your course schedule is finalized before submitting your OPT I-20 request form. Ask your ISS Advisor if you have any questions.

If You Do Not Complete Your Program As Expected
Once your OPT I-20 has been issued, changing your degree program completion date can create serious complications for your OPT application. Consider your expected completion date carefully and make every attempt to finish your program on that day. Students who do not complete all degree requirements by their program end date may extend their program before the I-20 expiration date but this could affect your OPT authorization. Please see your ISS Advisor if you have applied for OPT and your degree completion date changes.

Academic Advisor Signature
A signature from your Academic Advisor is required on this form. This signature verifies your expected degree program completion date at the time of application for OPT. Signatures from Faculty Advisors or professors will not be accepted.
OPT Filing Timeline

**OPT Application Period:** Window opens 90 days before degree program completion and closes 60 days after degree program completion.

**Degree program completion date (example):**
- June 15
- July 15
- Aug 14

**60-day grace period ends**

- Feb
- March
- April
- May

**Recommended OPT start date must be within your 60-day grace period**

Please note: dates shown are for example only. Please refer to the Academic Calendar for DePaul University’s term end dates.

---

**Points to Consider**

- USCIS can receive your OPT application up to 90 days before your degree program completion date and no later than 60 days following your degree program completion date.
- If you leave the United States during your 60-day grace period and you haven’t applied for OPT, you will lose your opportunity to apply for OPT.
- USCIS must receive your OPT application no later than 30 days after your OPT has been requested in SEVIS by your ISS Advisor or your application may be denied.
- It can take 60 to 90 days (sometimes more, rarely less) for an OPT application to be reviewed and (hopefully) approved by USCIS.
- Your recommended OPT start date must be within your 60-day grace period.
- If you will graduate in winter term and want to take advantage of the H-1B cap gap benefit: [https://www.uscis.gov/working-united-states/temporary-workers/h-1b-specialty-occupations-and-fashion-models/extension-post-completion-optional-practical-training-opt-and-f-1-status-eligible-students-under-h-1b-cap-gap-regulations](https://www.uscis.gov/working-united-states/temporary-workers/h-1b-specialty-occupations-and-fashion-models/extension-post-completion-optional-practical-training-opt-and-f-1-status-eligible-students-under-h-1b-cap-gap-regulations), select an OPT start date closer to the end of your 60-day grace period. Note, if your OPT authorization ends before your employer files the H-1B COS petition with USCIS, you will not qualify for the H-1B cap gap benefit.
- You cannot begin employment until you have received your EAD card and the start date on the EAD card is valid/current.
- You cannot change your recommended OPT start date once your OPT application has been mailed to USCIS without withdrawing your application completely.
- As long as you have mailed a timely application for OPT to USCIS, your F-1 status remains active and you can continue to stay in the United States while your OPT application is pending.
- Travel outside of the United States while your OPT application is pending and once it has been approved can be risky; please schedule an appointment with your ISS advisor for more information as far in advance as possible.

Timelines illustrating two common scenarios can be seen on the next page.
Selecting Your OPT Start Date

Scenario 1: **Student with a job offer submits his OPT application early**

On March 15th, Alex mails his application for OPT to USCIS. He is completing his program on June 15th and chooses July 15th as his recommended OPT start date because he has a job offer beginning that day. Alex receives his EAD card on June 1st. His employer is pleased to see proof of work authorization early even though he cannot begin working until July 15th, as noted on his EAD card. Alex decides to go home for one month for vacation.

Scenario 2: **Student with no job offer submits her OPT application rather late**

Becky doesn’t have a job offer or time to search for one until after she finishes her degree. She chooses the latest date possible to start her OPT -- August 14th -- which is 60 days after her completion on June 15th. She knows that she can lawfully stay in the United States as long as she has submitted her OPT application on time. She finally mails her OPT application on June 1st. On August 14th, Becky still hasn’t received her EAD card, so she can’t begin working. Becky receives her EAD card on September 1st and it expires the following year on August 13th. Becky has lost 13 days of her OPT authorization because her application was approved after the latest available OPT start date.

Please note: dates shown are for example only. Please refer to the [Academic Calendar](#) for DePaul University’s term end dates.
Important Reminders

OPT Application Filing:
- Your application for post-completion OPT must be received by USCIS no earlier than 90 days before degree completion and no later than 60 days after your date of completion. Apply for pre-completion OPT no earlier than 90 days prior to your intended employment start date. USCIS must also receive your OPT application within 30 days of when ISS made the OPT recommendation in SEVIS. If you miss this deadline, USCIS will reject/deny your application! If you have international travel plans, be sure USCIS receives your post-completion OPT application before you leave the country and contact your ISS advisor before making travel arrangements. If you timely file your post-completion OPT application with USCIS, you may remain inside the U.S. until USCIS makes a decision on your case.
- If you receive a “Request for Evidence (RFE)” from USCIS, schedule an appointment with your ISS advisor right away. If there is a problem with your application or if USCIS needs additional information/documents to make a decision on your case, USCIS will send you an RFE notice by mail. You may track status of your OPT application on USCIS website: https://egov.uscis.gov/processing-times/ by entering your I-765 receipt notice number.

OPT Employment:
- If/when USCIS approves your OPT application, USCIS will issue an employment authorization document (EAD) card. You cannot start working until you receive this EAD card and the start date on that EAD card has passed. You will not accrue any unemployment time while USCIS reviews your OPT application. Your unemployment clock will start as of the start date showing on your EAD card. F-1 students on post-completion OPT are limited to a total of 90 days of unemployment for their entire post-completion OPT period. If you exceed 90 days of unemployment while on post-completion OPT, this is considered a violation of your F-1 status. It may result in denial of future immigration benefits and can have long-term negative consequences for your immigration record and status in the U.S. Note, this unemployment limit does not apply to students on pre-completion OPT.
- In order not to accrue unemployment time while on OPT, you must be employed in a position that directly relates to your degree level and major field of study showing on your I-20 form for at least 20 hours per week. You can have multiple employers while on OPT as long as each job fits this criteria and you report your employment information to ISS. Employment while on OPT does not have to be paid, however, unpaid or volunteer work should also not violate any labor laws. In other words, if the law dictates that you should be getting paid for a particular position, then you should be getting paid for that position. Volunteering for a non-profit organization could be a valid form of employment while on OPT, but it depends on the particular position. Please contact ISS advisor for additional information.
- ISS and the Department of Homeland Security (DHS) recommend that students keep clear written/electronic records of all periods of employment and unemployment while on OPT. This information should include: job title; proof of employment duration (start and end dates); number of hours worked per week; location; contact information for supervisor/manager; description of work responsibilities; and, evidence that work performed is/was related to your field of study. Additional evidence may include: pay-stubs; W-2 forms; copies of contracts; offer letters; and, employment verification letters.
- If you transfer to another school/college or start new degree program while on post-completion OPT, your OPT work authorization will no longer be valid.

OPT Reporting:
- Report any changes to your employment information in Campus Connection. Update any changes to your name by contacting DePaul University’s University Registrar. Update any changes to your address, phone number, or email address in Campus Connection within 10 days of the change.
- If you witness fraudulent activity by an OPT recruiter or company, you should contact the ICE’s Homeland Security Investigations (HSI) tip line immediately at 1-866-DHS-2ICE or www.ICE.gov/tips and make a report. If you rely on recruitment agencies to obtain OPT placements, please ensure these agencies are trustworthy and reputable. For example, reputable recruiters will not modify your resume or academic background to secure OPT placement.
OPT Reporting Requirements

- You must report changes on the following information to ISS **within 10 days** of any change:

  **Personal Information:**
  1. Legal Name
  2. Email Address
  3. Residential Address
  4. Mailing Address
  5. Email Address
  6. Telephone Number

  **Employment Information:**
  1. Employer/company name
  2. Employer/company address
  3. Employment start date
  4. Employment end date (when applicable)
  5. EIN (Employer Identification Number)
  6. Supervisor Name/phone number/email address
  7. Explain how employment directly relates to degree/major field of study showing on I-20 form

- Report changes to your personal information by updating your demographic portfolio in the DePaul [Campus Connection](https://campusconnect.depaul.edu). If you have trouble logging into Campus Connection, please contact DePaul’s Information Services: [Information Services | DePaul University, Chicago](https://www.depaul.edu/services/information-services) for assistance.

- Report changes to your employment information in [Campus Connection](https://campusconnect.depaul.edu) by following these steps:
  1. Login to [https://campusconnect.depaul.edu](https://campusconnect.depaul.edu) by using your Campus Connection ID and password.
  2. Proceed to Navigator>Student Resources>Student Services>ISS Forms Requests.
  3. Select “OPT Update” to proceed.
  4. Allow 1-2 weeks for ISS to process your new I-20 form showing updated employment details.
OPT Reporting Requirements

• If/when USCIS approves your OPT application, the government will create an SEVP Portal account for you so you can access/review/edit your information directly in SEVIS. You should receive an email notification regarding the SEVP portal from the government shortly after your OPT approval.

• Note, reporting via the SEVP Portal is optional (not required). You must still report any changes to ISS via Campus Connection, so ISS can issue an updated I-20 form, if applicable. However, if you choose to report via the SEVP Portal, please make sure your information matches exactly in Campus Connection. Otherwise, it will require data clean-up and delay the issuance of your I-20 form.

• Note, if you do not report your employment information to ISS via Campus Connection, ISS will not be able to provide you with an updated I-20 form, and the government will eventually delete your SEVP portal account soon after your OPT authorization ends. Therefore, it is important that you timely report all your employment and any changes to ISS within 10 days of the change. For more information on the SEVP Portal, please visit this link: https://studyinthestates.dhs.gov/sevp-portal-help

• When explaining how your employment relates to your degree/major field of study showing on the I-20 form, please list 3-5 courses from your transcripts where you gained knowledge that you will utilize on the job. List specific skills, knowledge, or theories you learned at DePaul that you will utilize on the job. Note, stating your job duties alone is not sufficient. Please explain how your duties relate to your degree/major field of study. Stating your employer/company’s nature of business is also not sufficient, since all organizations hire employees with various degrees and skill sets. Please visit this form for examples.

• The employer address should be the address the student reports to for work. If working at a client site, which is different from the employer address, please report this to ISS and provide the client name in the remarks section in Campus Connection. If your site of activity and/or supervisor information changes, please remember to report to ISS within 10 days of the change.

• Please keep a good record of your job offer letter(s); print-outs of your course syllabus; Department of Labor’s description: https://www.onetonline.org/ that best matches your position; as well as job postings of similar or comparable positions showing the required/preferred education in case the government later questions the direct relationship between your OPT employment and your degree. The more documentation you have, the better.
**PREPARE OPT APPLICATION MATERIALS YOU WILL SEND TO USCIS**

1. Original **signed** Form I-765 (review pages 14-17 for instructions) **at the top**.
2. Form G-1145 (recommended/optional - review page 13 for instructions).
3. Two identical color photographs not older than 30 days (paper-clipped to the top of Form I-765; see photo specifications on page 18 for instructions).
4. Money order for the appropriate USCIS filing fee: [https://www.uscis.gov/i-765](https://www.uscis.gov/i-765) made payable to the **U.S. Department of Homeland Security** (paper-clipped or stapled to the bottom of Form I-765, with your name and I-94 card number written in the memo section, if space allows for it). **Note, the biometric fee is not applicable to F-1 students seeking the OPT benefit. If you include the incorrect fee amount, USCIS will reject your application.**
5. Copy of your **signed** I-20 form showing the OPT recommendation issued **within 30 days** by ISS. **Do not** forget to sign the I-20 form and do **not** send originals I-20 forms to USCIS (send only copies).
6. Copies of any previously issued EAD card(s) and corresponding I-20 forms, if applicable.
7. Copies of any previously issued I-20 forms showing Curricular Practical Training (CPT) authorization. Place your I-20 copies in chronological order with the most recent on top.
8. Copy of your biographical passport page(s) showing the validity date.
9. Copy of your current/latest visa page in your passport showing your last entry-date stamp into the U.S.
10. Copy of your current I-94 record: [https://www.cbp.gov/travel/international-visitors/i-94-instructions](https://www.cbp.gov/travel/international-visitors/i-94-instructions) showing your latest entry into the U.S.
11. Copy of your I-797 approval notice (and I-94 card), **only if** you previously obtained a “change of status” to F-1 from USCIS. If you travelled across the U.S. border and your I-94 card shows F-1 entry, this item does not apply to you.

*** Remember to keep a copy of your OPT application for your records before mailing it to USCIS! ***
Submit Form G-1145 with your OPT application and USCIS will alert you via SMS text message and/or email that your application has been accepted for review. You will also receive your receipt number in this text/email.

A sample G-1145 form is shown here. Complete the form with your name, e-mail address and mobile telephone number as directed. Please type the information on this form to avoid USCIS misreading your hand-writing.

Download Form G-1145 and instructions: https://www.uscis.gov/g-1145
Form I-765

Application for Employment Authorization

Form I-765 is the other USCIS form you will need to submit with your OPT application. A sample Form I-765 form is shown here.

Important: You are required to use the most current version of the I-765. It is best to download it directly from USCIS website: https://www.uscis.gov/i-765 right before you mail your application since USCIS updates forms frequently.

How to Complete Form I-765: Completing Form I-765 for OPT is a simple task, but a few items can be confusing. The following pages will cover how to complete those “tricky” questions so you can avoid any delays in receiving your work authorization.

Please type most of information on this form to avoid USCIS misreading your handwriting. Note, some information will not always fit (name and address information primarily). For these areas, if applicable, please hand write the information clearly.
Completing the I-765

Do not write in the space at the top of the I-765 form.

Begin by selecting the box labeled “Permission to accept employment.” on Page 1

I am applying for:

- [x] Permission to accept employment.
- [ ] Replacement (of lost employment authorization document).
- [ ] Renewal of my permission to accept employment (attach a copy of your previous employment authorization document).
Completing the I-765

Some of the questions on the I-765 form should be pretty straightforward. Below you will find commonly asked questions regarding the I-765 form. If you have additional questions or concerns, please carefully review Instructions for Form I-765 on USCIS website: https://www.uscis.gov/i-765 and contact your ISS advisor for clarification.

Your Name
Please list your full legal name as it appears on your passport (the spelling and order should match). It’s best to list your family (last) name in ALL CAPS. If you have several given names and do not have space to list all of them, that is okay.

Other Names Used
You only need to complete Item #2 if you had a name change while studying in the U.S.

U.S. Mailing Address
The U.S. mailing address you list here is where your new EAD card will be mailed, if approved. This address needs to be valid for at least the next 3-5 months; check current USCIS I-765 processing times for the typical length of time it will take to process your OPT application. If you think you may move in the months after you mail the application, use a reliable friend or family member’s address to receive your EAD. We do not recommend using the ISS address.

If you are using an address other than your own, use “c/o” to indicate that your mail is being delivered “in care of” the resident of that address. For example, c/o Friend’s Street Name, Apt #, Chicago, IL, 60604. Otherwise, USCIS will think that is your new address, and it will conflict with the address showing in SEVIS (database).

Note, USCIS does not forward mail when applicants move. USPS will simply return your mail to USCIS as undeliverable. If your name does not appear on the c/o address you list, USPS may also return your mail to USCIS as undeliverable; USCIS will destroy EAD cards returned as undeliverable by the U.S. Postal Service after 60 business days if USCIS is not contacted by the document’s intended recipient to provide the correct address.

U.S. Physical Address
The address should be where you currently reside (sleep). This address should also match your U.S. home address in Campus Connect (so ISS can link it to your SEVIS record). Note, if the U.S. mailing address you list on your I-765 form is the same as your U.S. physical address, then you only need to populate the U.S. mailing address field.

USCIS Online Account Number (in any)
Since you will not be submitting your OPT STEM extension application online, please leave this item blank. Instead, you will submit a paper (hard copy) application to USCIS.

Social Security Number (SSN) Related Questions
If you do not have an SSN, then this is your opportunity to request it. If, however, you already have an SSN, then it is yours for life and you should inform USCIS that you do not want the SSA to issue you the SS card. The reason your SSA card says “valid for work only with DHS authorization” is because SSN is just a tax identification number, and in order to actually work in the U.S. you need some kind of work authorization document like an EAD card.

I-94 Arrival Information
Use your current I-94 number. This is the 11-digit number found on the top left corner of your paper I-94 card or on your electronic I-94 record: https://www.cbp.gov/travel/international-visitors/i-94-instructions.

Country That Issued your Passport
The country that issued your passport is the same as the country that issued your citizenship. Note, if you happened to renew your passport at a Consulate/Embassy in a different country, this does not change the country of issuance.

Date of Last Entry into the U.S.:
This is the date of your most recent entry into the U.S. This entry date can be found stamped on your paper I-94 card, noted in your electronic I-94 record, and in your passport admission stamp.

Place of Last Entry into the U.S.
This is the name of the city where you landed in the U.S. This information is found on your passport admission stamp (usually as a code like “CHI” for Chicago). If you drove across from Canada or Mexico, enter the name and the city where you entered the U.S.
 Completing the I-765

Status of Last Entry
This is the status you held when you last entered the U.S. Most students entered in F-1 status, however, you may have initially entered the U.S. with a different visa/status e.g. as a B-1 visitor or H-1B work visa and later changed your status to F-1 student with USCIS.

Your Current Immigration Status
Your current immigration status should be F-1 student. If not, talk to your ISS advisor immediately.

Student and Exchange Visitor Information System (SEVIS) Number
Your SEVIS ID number starts with letter N. You will find this number in the top left corner of your SEVIS I-20 form issued by DePaul University.

Eligibility Category
Use the following codes depending on the type of OPT you are requesting:
- (c) (3) (A) Pre – Completion OPT
- (c) (3) (B) Post – Completion OPT

Item #28: (c)(3)(C) Eligibility Category
Please leave this line blank. Note, only students who are applying for the 24-month OPT STEM extension should complete this item. If you are applying for pre-completion of post-completion OPT, and you entered (c) (3) (A) or (c) (3) (B) in Item #20, you should leave item #28 blank.

Item #29 – Item #31 refer to (c)(26), (c)(8), (c)(35) and (c)(36) eligibility categories which are not applicable to F-1 students seeking the pre-completion or post-completion OPT benefit. Therefore, please leave these items blank.

Finalizing the I-765
Remember to sign your the form. Please note that your signature must fit in the space provided on the name, include the date of your signature, and enter your telephone number at the bottom of form. If your signature is too big your EAD card may not contain your signature or your application may be returned to you and delay the processing time of your application. USCIS might issue EAD with "signature waived" notation. However, EAD cards without signature may cause problems with DMVs in some states. Be conservative and use a signature smaller than your normal handwriting. Signatures must be hand-written in BLUE ink so they look original!

Applicant’s Signature
I certify, under penalty of perjury, that the foregoing is true and correct. Furthermore, I authorize the release of any information that U.S. Citizenship and Immigration Services needs to determine eligibility for the benefit I am seeking. I have read the “Who May File Form I-765?” section of the instructions and have identified the appropriate eligibility category in Question 16.

Signature
Date of Signature (mm/dd/yyyy) 09/05/2015

Telephone Number (312) 123-4567

If you prepared your own I-765 form, then you do not need to complete the interpreter or preparer sections. Please leave them blank unless you used an interpreter or someone else like an attorney prepared your I-765 form.
Photograph Specifications

You must submit two identical color photographs of yourself taken within 30 days of filing your application:

- The photos must have a white to off-white background, be printed on thin paper with a glossy finish, and be unmounted and unretouched.
- The passport-style photos must be 2” by 2”.
- The photos must be in color with full face, frontal view on a white to off-white background. Head height should measure 1” to 1 3/8” from top to bottom of chin, and eye height is between 1 1/8’ to 1 3/8” from bottom of photo.
- Your head should be centered within the frame.
- There should be no distracting shadows on the face or in the background.
- Make sure you have a natural expression.
- Your head must be bare unless you are wearing headwear as required by a religious order of which you are a member.

Please refer to I-765 instructions on USCIS website: https://www.uscis.gov/i-765 for details. You may also refer to the U.S. Department of State website: https://travel.state.gov/content/travel/en/passports/requirements/photos.html as well as https://travel.state.gov/content/travel/en/us-visas/visa-information-resources/photos.html for additional information on photo requirements.

Using pencil or felt pen, lightly print your name and I-94 card number on the back of each photo in case they get separated from your application.

Most places that take passport photos are already familiar with the specifications. However, you may want to print this page, or the pages from the web site above to take with you when you get your photo taken.
Mail your (paper) OPT application to the appropriate USCIS Service Center based on your residential address using a fast and trackable mailing service like Priority Express, certified USPS mail, FedEx, UPS, or DHL. **Do not E-file your OPT application!**

Please do **not** use regular USPS mail, as it may take too long and/or get lost in the mail. Check USCIS website [https://www.uscis.gov/i-765-addresses](https://www.uscis.gov/i-765-addresses) for the appropriate/current USCIS mailing address. Note, USCIS offers two different addresses, including a P.O. Box address, depending on the type of mailing service you use. FedEx e.g. does not deliver to P.O. box addresses.

Remember to **keep a copy of your OPT application** for your own records before you ship it to USCIS. If anything happens to the shipment and/or if there are any discrepancies/mistakes on your EAD card later, USCIS will want to see proof of what you submitted.

**Application Deadline Reminder**

Don’t delay! Mail your complete application to USCIS as soon as you receive your OPT I-20 form. USCIS must receive your application **no later than 30 days** from the date your OPT was recommended by ISS and **before your 60-day grace period expires**. Please allow several business days for shipping. **If you have international travel plans, make sure USCIS receives your post-completion OPT application before you leave the U.S. and contact your ISS advisor before making travel arrangements.**
