This guide is for on-campus residents from COVID-19 surging states, which means you chose one of the following move-in dates for your mandatory quarantine:

August 16 – Quarantine for 14 consecutive days in your designated space on the Lincoln Park campus.

August 22 – Quarantine for 7 consecutive days in your designated space on the Lincoln Park campus, providing you completed 7 consecutive days of quarantine in your hometown before arriving at DePaul. Your first 7 days of quarantine must be documented to show adherence to the City of Chicago Emergency Travel Order. Details about providing this certification will be provided to you via email.

During your quarantine at DePaul, we will deliver meals and urgent mail to your room, provide access to WiFi and Philo TV streaming, etc. Students must stay in their rooms and not interact in-person with anyone else, including other students, for any reason except for urgent medical care and COVID testing during the quarantine period.

Section 1

Welcome to Lincoln Park Campus Housing

Greetings!

The Department of Housing and Student Centers, as well as the Department of Residential Education are welcoming on-campus residents for the 2020-2021 academic year. With our combined years of experience at DePaul University, our departments never expected a pandemic to occur much less significantly impact our student population. Asking you to quarantine for 14 days is a task that comes with numerous challenges, but it is absolutely necessary to protect your health and safety.

This guide will not only prepare you for your move on campus, but it will focus on resources to assist you through the mandatory quarantine required by the City of Chicago Emergency Travel Order. Moreover, we will continue to update our website with information related to your return to campus and COVID-19.

If you have questions, please email us at **housing@depaul.edu** or utilize our chat feature available on the Housing website: **go.depaul.edu/housing**.

Thank you!

Section 2

What it means to be in quarantine

Quarantine helps prevent the spread of disease before a person knows they are sick, including if a traveler has been infected with the virus but does not have symptoms. Under the Chicago Emergency Travel Order, quarantine means staying at a single designated home or dwelling for 14 days before doing any activities outside of the home or dwelling. People in quarantine should separate themselves from others as much as possible and check themselves for symptoms. For DePaul residents, this means staying in your room for the entirety of your quarantine period. Where possible, residents will be moving into their assigned space for fall. However, in order to ensure effective quarantine, residents whose roommates are also impacted by the travel order may be placed in temporary accommodations where they are in a separate room and bathroom.

Per the order, residents must not be in public or otherwise leave their room, unless seeking medical care or COVID-19 testing. If you need to seek medical care, students may call **AMITA Sage Medical Group at (773) 549-7757**. Please call in advance. DO NOT visit the office in person unless instructed by AMITA Sage to do so.

In a medical emergency, please call 9-1-1.

If a resident violates the quarantine order, they are subject to fines of \$100 - \$500 per day, up to \$7,000 by the City of Chicago. DePaul University is not liable for any Emergency Travel Order violation(s) made by a resident. Therefore, residents are responsible to pay their fines. The violations to the quarantine order will subject the resident to potential University sanctions that include but are not limited to removal from housing and university probation through the university conduct process.

What to do if you experience COVID-19 Symptoms or have been informed you have been exposed via close contact:

If you experience COVID-19 symptoms or you have been exposed as a close contact, please call **Public Safety at (773) 325-7777**. Public Safety will contact a member of the residential education staff who will be in contact with you in a short period of time. The staff member who contacts you will assist you in reporting your information to the university and gather a few other pieces of information as well to assist in next steps. These next steps are: the procedure for getting tested, speaking with a contact tracer, and potentially moving to a different space for isolation. Isolation is for a resident with a confirmed case of COVID-19. The determination of being moved will rely on a variety of factors, including at what point during your initial quarantine period you experience symptoms.

Section 3

Move-In Day Instructions

Step 1: Before Move-In Day, Schedule Your Move-In Time

Residents arriving for quarantine on August 16 or August 22 can sign up for a move-in time via myhousing.depaul.edu. If you experience any issues with the selection of an appointment time, please contact us at housing@depaul.edu.

Step 2: Arrive at Your Residence Hall

(At the chosen appointment time, no sooner.)

Move your vehicle to a designated area by following directions given by staff. Vehicles may typically pull up right in front of the hall in the loading zone to unload. Do not park in handicapped spaces, fire lanes, service areas, driving lanes, or other areas not designated for parking.

Before you enter the building, please make sure you have your ID card ready to present to the front desk staff. Also, all students and moving helpers are expected to abide by the university policy of **mandatory face coverings at all times**. If anyone is without a mask, we will provide one via the front desk of your residence hall.

Returning residents must present their official DePaul ID card. If you are a returning resident who has lost their ID, please email ID Services at idservices@depaul.edu. The subject line should be used accordingly with your information: **"ID reprint Quarantine, LAST NAME, ID number."**

Incoming freshmen and new transfer students may present a government issued ID, such as a driver's license, state ID card, or passport. New residents will not need their DePaul ID until after they have completed quarantine. Please review the August 3 email from ID Services for information regarding ID card distribution.

Step 3: Housing Check-In and Unloading Your Vehicle

At the front desk of the residence hall, please state that you have arrived for your move-in appointment. Your name and appointment time will be cross-checked by the front desk staff.

Continued on next page.

Once verified, go directly to your assigned room where you will find the door unlocked and a welcome envelope with your name on the desk.

Inside the welcome envelope, you will find:

- A welcome letter
- A room key
- Quarantine Information / Instructions
- A link to their online check-in confirmation form
- Wristbands for up to two (2) moving assistants – family member or friends
- Additional information from Residential Education and Housing

If you have moving helpers, please make sure they wear the wristbands from the welcome envelope.

Quickly unload your vehicle; there is a 15-minute time limit for unloading. You may also move your car to a designated lot/garage on campus. Vehicles can be moved to the Clifton Avenue Parking Garage or the Sheffield Avenue Parking Garage; the wristband will serve as free parking for August 16 and August 22 only.

Red bins with moving wheels are available in the lobby on an honor system. You may use one (1) red moving bin only during your appointment window – no more than 30 minutes. If possible, we recommend you bring your own cart or dolly.

Once unloaded, please return the red moving bin to the lobby.

Section 5

Suggested Packing List

As you purchase and pack items for your on-campus move to DePaul, we recommend bringing only the essentials. We still want you to bring what you think is necessary and what you feel will help make your assigned space your home away from home. However, we also want to acknowledge that COVID-19 remains ever-changing and, as such, we simply do not know what to expect week-to-week or month-to-month. In the event DePaul needs to shut down its campuses, we want you to be prepared and ready to go.

If we are unable to move you into your permanent unit for your 14 days in quarantine, we suggest packing what you need during your quarantine in temporary housing separate from what you will need for the remainder of the year. That way, it will be easier for you transition from temporary housing to your permanent unit.

Please note: There are items you may bring and items you cannot bring. Prohibited items found in campus housing will be confiscated by staff. See the full list of restricted and prohibited items at go.depaul.edu/prohibiteditems.

Section 6

Connect with Your Roommates

Before your quarantine, we highly recommend connecting with your roommate to make sure you don't overdo it with appliances that have high power consumption.

When you talk to your roommate(s), discuss how you'll decorate your unit. Typically, you are not allowed to have two of the items listed below in your room.

Mini-fridge – must be 4.8 cubic feet or less (not allowed in apartments)

Microwave – must be 900 watts or less

Television

However, we completely understand that you (and every resident) would want to bring their own appliances, so you have them during your quarantine on campus. With the exception of the television, when you move into your permanent space, you will not be able to plug-in an additional microwave or refrigerator. You will have to store these in your room until they can be picked up or when you move out. While we wish we could store these items for you, we have severely limited storage on our urban campus.

You can find your roommate or roommates listed in the Housing Portal at **myhousing.depaul.edu**. If your assigned roommate chooses not to come to DePaul, another will be assigned to the vacant space. We encourage you to check the portal periodically during the summer in case of updates. Please have an open mind when speaking with your roommates and recognize that this is new territory for all. Roommates cannot be changed prior to move-in day.

Post-Quarantine with Your Roommate

Setting specific and mutual expectations helps residents hold each other accountable and maintain a safe and comfortable living environment. Residents in each area are expected to draft/sign agreements to ensure a civil living space for each of our residents. Each resident advisor (RA) will have their residents complete a roommate/apartment agreement within the first 2-3 weeks of classes. Each agreement will be reviewed to ensure residents have taken the task seriously and have put an acceptable level of effort into the agreement's creation.

Section 7

Network with Other Residents in Quarantine

Activities, events, and ways to connect

The Department of Residential Education will be offering the Blue Demon Wow (Weeks of Welcome) Virtual Experience. We plan to offer you a full schedule of virtual events that will be designed to help you make connections with other students and become acclimated to the greater DePaul community. Events will include a combination of synchronous (in real-time) and asynchronous (access anytime) programming that will be offered each day during your time in quarantine. Students will be provided a full schedule prior to your arrival on campus. The daily schedule will also be found at go.depaul.edu/den. Platforms needed to participate in these programs will be Microsoft Teams, Zoom, and Facebook.

You can expect to have more frequent interactions with Residential Education Staff virtually during this time in partnership with other campus partners. We will help you connect with other Blue Demons through our variety of passive opportunities like social media challenges, virtual game nights, and meet and greets.

During these challenging times, we know that holistic wellness is critical to a Blue Demon's success. We will put more focus into wellness initiatives such as meditation, small group dialogs, and stress management workshops with our campus partners. Our goal is to make sure you feel connected and engaged with other people in your hall and throughout campus.

Mental Health Resources

University Counseling Services

The college experience includes many unique challenges and opportunities for students. It is a time of change, growth and transition. Reaching your academic goals can be difficult if you are suffering from emotional distress, relationship difficulties or other concerns. There may be times when these challenges lead to excessive stress, anxiety, depression, confusion, and loneliness. Seeking support, including counseling can enable you to understand and deal with these issues. University Counseling Services is committed to creating a welcoming and affirming space where the dignity of all DePaul students is valued and affirmed. We strive to support the educational success of students by providing culturally aware clinical services, including: individual and group counseling, outreach programming, consultation, community referrals, and training opportunities.

How do I make an appointment?

Typically, the first step is calling our **Lincoln Park office (773-325-7779)** or **Loop Campus office (312-362-6923)** in order to set up an initial consultation appointment. You will have the opportunity to discuss your concerns with a counselor for about 15-20 minutes in order to assess what kind of service would be most helpful. Initial consultations are usually conducted telephonically but can also be scheduled in person.
