Online Room Selection will feel a lot like shopping online. Do your research in advanced, be open to multiple housing options, and read and confirm before making any selections. All of this will ensure you are making the correct housing choice, because after you select a space, no changes can be made.

**Step 1: Select a Building**

This should be the default page when you enter the Housing Agreement. If this isn’t the page you land on, click the Room Selection tab at top.

If you don’t see a building listed here, it is no longer available.
Step 2: Select a Unit

When you identify the unit you want, click Add to Cart.

If you do not see a building listed here, it is no longer available.
Step 3: Assign your bed and your roommate’s bed, if applicable.

You will not be able to move forward until everyone in your roommate group has been assigned.

Assign Beds

For Lincoln Park assignments:
Apartment: The bedrooms in your unit are numbered and assigned. The number after the dash denotes the bedroom to which you are assigned. The letter that follows the bedroom number is for internal use only, e.g. 201A is in bedroom 1. Disregard the A as this is for internal use only.

For Loop assignments at the University Center:
Suite units: The numbers indicate the unit room, e.g. 303A-1 and 303A-2 are roommates and are submates to 303B-1 and 303B-2.
Apartments: The final letter in the room number represents your assigned bedroom, e.g. 1234D is in bedroom D.

Below are your current roommates. You can assign beds to all of them.
You can keep the item in your cart for 10 minutes. Make sure to pay attention to the countdown clock in the top right corner.

If the unit is not large enough or there aren’t enough available beds for everyone in your roommate group, you can use the back button on your browser to go back to the available rooms list. You will need to Remove from cart before you can select a new unit.
**Step 4: Confirm & Assign**

Be sure to review the assignment for you and your roommate. If they are correct click **Confirm & Assign**.
