The instructions below are meant for new on-campus residents from an “Avoid Travel” state per the Chicago Emergency Travel Order.

As an on-campus resident from an “Avoid Travel” state, you will:

**STEP 1** Select a March 19 or 20 move-in appointment via [myhousing.depaul.edu](http://myhousing.depaul.edu) no later than Wednesday, March 17.

**STEP 2** Be prepared to quarantine in your designated space on the Lincoln Park campus from the start of your move-in date until Tuesday, March 30, unless otherwise instructed.

Prior to quarantine, you must fill out an intake form (click here) by Wednesday, March 17, to alert staff of any special accommodations needed, such as food allergies and prescription deliveries.

**STEP 3** Take a COVID-19 test at the Lincoln Park Student Center on Tuesday, March 23, between 1:00 p.m. and 3:00 p.m. or Thursday, March 25 between 9:00 a.m. and 11:30 a.m. More details about testing, including scheduling an appointment, will be emailed to you before your move-in date.

If you test negative for COVID-19, you may exit quarantine earlier than Tuesday, March 30.

If you test positive for COVID-19, you will remain in your room and follow isolation protocol.

During your quarantine at DePaul, we will deliver meals and urgent mail to your room, provide access to WiFi and Philo TV streaming, etc. Students must stay in their rooms and not interact in-person with anyone else, including other students, for any reason except for urgent medical care, COVID testing on March 23 or March 25, and taking garbage/recycling to the trash room and laundry to the laundry room if absolutely necessary.

We will NOT allow any visitors while students are in quarantine during Spring Break as well as first the two weeks of Spring Quarter, March 20 - April 10, including parents/guardians. Students who are new residents arriving Spring Quarter may have assistance with their move from up to two (2) family members or friends, but no additional visitors beyond the scheduled move-in day. No overnight guests are permitted.

Welcome to Lincoln Park Campus Housing

Greetings!

The Department of Housing, Dining & Student Centers, as well as the Department of Residential Education are welcoming new and returning on-campus residents for the Spring Quarter. With our combined years of experience at DePaul University, our departments never expected a pandemic to occur much less significantly impact our student population. Asking you to quarantine is a task that comes with numerous challenges, but it is absolutely necessary to protect your health and safety.

This guide will not only prepare you for your move on campus, but it will focus on resources to assist you through the mandatory quarantine required by the City of Chicago Emergency Travel Order. Moreover, we will continue to update our website with information related to Spring Quarter housing and COVID-19.

If you have questions, please email us at housing@depaul.edu or utilize our chat feature available on the Housing website: go.depaul.edu/housing.

Thank you!

Section 2
What It Means to be in Quarantine

Quarantine helps prevent the spread of disease before a person knows they are sick, including if a traveler has been infected with the virus but does not have symptoms. Under the Chicago Emergency Travel Order, quarantine means staying at a single designated home or dwelling for 10 days before doing any activities outside of the home or dwelling. People in quarantine should separate themselves from others as much as possible and check themselves for symptoms. For DePaul residents, this means staying in your room for the entirety of your quarantine period. However, if you test negative for COVID-19 during your quarantine period, you may exit quarantine sooner.

Per the order, residents must not be in public or otherwise leave their room, unless seeking medical care or COVID-19 testing. If you need to seek medical care, students may call AMITA Sage Medical Group at (773) 549-7757. Please call in advance. DO NOT visit the office in person unless instructed by AMITA Sage to do so.

In a medical emergency, please call 9-1-1.

If a resident violates the quarantine order, they are subject to fines of $100 - $500 per day, up to $7,000 by the City of Chicago. DePaul University is not liable for any Emergency Travel Order violation(s) made by a resident. Therefore, residents are responsible to pay their fines. The violations to the quarantine order will subject the resident to potential University sanctions that include but are not limited to removal from housing and university probation through the university conduct process.

What to do if you experience COVID-19 Symptoms or have been informed you have been exposed via close contact:

If you experience COVID-19 symptoms or you have been exposed as a close contact, please refer to the Quarantine & Isolation Guide and call Public Safety at (773) 325-7777. Public Safety will contact a member of the Residential Education staff who will be in contact with you in a short period of time. The staff member who contacts you will assist you in reporting your information to the university and gather a few other pieces of information as well to assist in next steps. These next steps are: the procedure for getting tested, speaking with a contact tracer, and potentially moving to a different space for isolation. Isolation is for a resident with a confirmed case of COVID-19. The determination of being moved will rely on a variety of factors, including at what point during your initial quarantine period you experience symptoms.
Section 3
Move-In Day Instructions

Step 1: Before Move-In Day, Schedule Your Move-In Time
Residents may sign up for a March 19 or March 20 move-in appointment via myhousing.dePaul.edu. If you experience any technical issues when scheduling an appointment, please contact us at housing@dePaul.edu.

Step 2: Arrive at Your Residence Hall
(At the chosen appointment time, no sooner.)
Move your vehicle to a designated area by following directions given by staff. Vehicles may typically pull up right in front of the hall in the loading zone to unload. Do not to park in handicapped spaces, fire lanes, service areas, driving lanes, or other areas not designated for parking.

Before you enter the building, please make sure you have your ID card ready to present to the front desk staff. Also, all students and moving helpers are expected to abide by the university policy of mandatory face coverings at all times. If anyone is without a mask, we will provide one via the front desk of your residence hall.

DePaul Id cards
Incoming freshmen and new transfer students may present a government issued ID, such as a driver’s license, state ID card, or passport. New residents will not need their DePaul ID until after they have completed quarantine.

If you test negative for COVID-19 and are given permission by DePaul Community Health to exit quarantine, you may visit the ID Card Office in the Lincoln Park Student Center, Room 109. Office hours are Monday-Thursday, 9:00 a.m. - 5:00 p.m.

Step 3: Housing Check-In and Unloading Your Vehicle
At the front desk of the residence hall, please state that you have arrived for your move-in appointment. Your name and appointment time will be cross-checked by the front desk staff.

Once verified, go directly to your assigned room where you will find the door unlocked and a welcome envelope with your name on the desk.

Continued on next page.
Inside the welcome envelope, you will find:

- A welcome letter
- A link to their online check-in confirmation form – **Must complete upon arrival!**
- A room key
- Quarantine Information / Instructions
- Wristbands for up to two (2) moving assistants – family member or friends
- Additional information from Residential Education and Housing

If you have moving helpers, please make sure they wear the wristbands from the welcome envelope.

Quickly unload your vehicle; there is a 15-minute time limit if you **park in the unloading zone in front of your building.** You may also move your car to a **designated lot/garage** on campus. Vehicles can be moved to the Clifton Avenue Parking Garage or the Sheffield Avenue Parking Garage; the wristband will serve as free parking on March 19 and 20 only.

**Red bins with moving wheels** are available in the lobby on an honor system. You may use one (1) red moving bin only during your appointment window – no more than 30 minutes. If possible, we recommend you bring your own cart or dolly.

Once unloaded, please return the red moving bin to the lobby and proceed to your unit to begin quarantine (only if you are arriving from an “Avoid Travel” state).

**IMPORTANT THINGS TO NOTE!**

1. Students approved for Spring Quarter 2021 housing will have their own room. With that being said, **no furniture may be disassembled or removed from the unit.**

2. There are only a few exceptions where a student in quarantine may leave their room:
   - To receive urgent/emergency care at a medical facility
   - To take their mandatory COVID test on campus, March 23 or March 25
   - To bring garbage/recycling down the hall to the trash room
   - To do laundry, if absolutely necessary

However, if a student tests positive for COVID-19, they must remain in their unit until their isolation period is complete. **Staff will not pick up garbage bags door-to-door for this quarantine period,** except for students in isolation.

# Suggested Packing List

As you purchase and pack items for your on-campus move to DePaul, we recommend bringing only the essentials. Activities, events, and ways to connect

The Department of Residential Education will continue to offer you ways to connect with other residents during the start of SpringQuarter. You can expect to have welcome back floor meetings that will be facilitated by your Resident Advisor, as well as community programs that will offer opportunities for you to meet other residents on your floor and throughout your hall virtually.

We will put more focus into wellness initiatives such as meditation, small group dialogs, and stress management workshops with our campus partners. Our Residence Hall Council (RHC) will also host social programs and events virtually, providing you an opportunity to meet residents from other halls across campus. Our goal is to make sure you feel connected and engaged with other people in your floor and throughout your residential community.

Mental Health Resources

University Counseling Services

The college experience includes many unique challenges and opportunities for students. It is a time of change, growth and transition. Reaching your academic goals can be difficult if you are suffering from emotional distress, relationship difficulties or other concerns. There may be times when these challenges lead to excessive stress, anxiety, depression, confusion, and loneliness. Seeking support, including counseling can enable you to understand and deal with these issues. University Counseling Services is committed to creating a welcoming and affirming space where the dignity of all DePaul students is valued and affirmed. We strive to support the educational success of students by providing culturally aware clinical services, including: individual and group counseling, outreach programming, consultation, community referrals, and training opportunities.

How do I make an appointment?

Typically, the first step is calling our Lincoln Park office (773-325-7779) or Loop Campus office (312-362-6923) in order to set up an initial consultation appointment. You will have the opportunity to discuss your concerns with a counselor for about 15-20 minutes in order to assess what kind of service would be most helpful. Initial consultations are usually conducted telephonically but can also be scheduled in person.

After-Hours Crisis

After hours (after 5:00 p.m. Monday through Friday and on weekends), students facing or dealing with an urgent crisis should call 911 or DePaul University Public Safety:
