STUDENT HOUSING NEWSLETTER

SEPTEMBER 2015

Life in the Loop!

Hi, {Name}! The Department of Housing Services hopes that you are enjoying your new home away from home at the University Center. Fall is a lively and exciting time to live in Chicago. As the leaves begin to change colors, you will be creating new life-long friendships while immersing yourself in DePaul's vibrant student culture at the University Center.

Housing Services is committed to providing you with all of the residential resources that you will need for an exceptional on-campus living experience. Our main office is located on the Lincoln Park Campus in Centennial Hall, Suite 301. To learn more about our mission and department, please visit the [Housing Services website](#).

To get involved with upcoming events on campus, visit [DePaul University's campus events page](#)!

Meet the Director, Rick Moreci:

Rick Moreci is in his 15th year of administration at DePaul University, eight of which he has spent in Housing Services. Rick loves that there is no day at Housing Services that is like the next, and his priorities as director often change according to what is going on around campus. Rick has had many special memories working with his staff, but the most rewarding aspects of working for Housing Services are associated with student success. He values having the opportunity to watch incoming freshmen grow into accomplished adults who are ready to take on the world and watching returning residents continue to experience the benefits of living on campus!

## Get involved with Housing Services

Would you like to participate in Housing Services' focus groups, photo shoots and videos?

Email [jolchawa@depaul.edu](mailto:jolchawa@depaul.edu) to sign up!

These are all excellent ways to become the face and the voice of DePaul, and you'll also receive prizes for your involvement!
