HOW TO APPLY FOR CAMPUS HOUSING

New incoming students—freshmen, transfers, graduate and law students—will be guaranteed housing if they submit and complete a housing agreement no later than May 1 (June 1 for transfers). Campus, building, room type and roommate preferences are not guaranteed.

APPLYING IS EASY! FOLLOW THESE STEPS:

**Step One**

Once you are admitted to DePaul, set up your Campus Connect account at [campusconnect.depaul.edu](http://campusconnect.depaul.edu). Your username and temporary password are included in your acceptance letter from the Office of Admission.

**Step Two**

Log in to [myhousing.depaul.edu](http://myhousing.depaul.edu). Click the Housing Agreement tab and select your chosen academic year. Follow the instructions to complete and submit the agreement.

**Step Three**

A $400 prepayment is required for all new, incoming students. You will have the opportunity to make this prepayment online when you submit your housing agreement. If you are under 18 years old at the time of applying, you will also need to fill out a parent/guardian voucher.

**Housing Options & Rates**

Use the Housing Options tab on our website to learn about both campuses and our various hall types.

- In Lincoln Park, we offer traditional residence halls or apartment communities. Live in a traditional college setting that places you central to academic buildings, public transportation and more.
- In the Loop, we have the University Center, which has suites and apartment communities just steps away from DePaul’s downtown campus. This building has an in-house dining center, fitness center, recreation room and more.

Review the current rates sheet at [go.depaul.edu/rateshousing](http://go.depaul.edu/rateshousing). Housing rates for the next academic year will be available after April 1.
