Move-In Day for New Residents

Steps to Follow

Winter 2022

Follow these steps to complete your move on campus:

STEP 1

Quickly unload your vehicle; there is a 15-minute time limit if you park in the unloading zone in front of your building. You may also move your car to a designated lot/garage on campus. Vehicles can be moved to the Clifton Avenue Parking Deck or the Sheffield Avenue Parking Garage for paid parking.

STEP 2

When you're settled into your unit, review the **Guide to Student Housing** at **go.depaul.edu/guide-to-student-housing**.

VISITOR POLICY

Due to the rising concern of the Omicron variant and increase of COVID cases in Illinois, we are no longer allowing moving helpers (visitors) inside residential buildings. For more information, please visit the **Visitor Policies webpage** at **go.depaul.edu/housing-visitor-policies**.
