

DEPAUL UNIVERSITY GAMING LOUNGE CODE OF CONDUCT GAMING WHILE HONORING HUMAN DIGNITY

DePaul cherishes the inherent dignity of every individual member of our community; this is both our culture and our mission. As such, we welcome and respect gamers from all backgrounds and strive to be the leader in Esports that honors the human dignity of every gamer.

All gamers utilizing the Gaming Lounge agree that:

1. Honoring the unique experiences and cultural backgrounds of every competitor is essential. DePaul believes that we must understand, respect, and embrace our differences; and the Gaming Lounge will be a space where this flourishes.
2. Harassment based on any aspect of a person's identity will not be tolerated. Behaviors that contradict DePaul's Vincentian mission or policies—such as bullying, violence, sexual harassment, or intimidation—will not be tolerated.
3. Toxicity, cheating, betting, or illegal activity is not allowed.

GOOD LUCK. HAVE FUN. BE VINCENTIAN.
