# Virtual Dental Visits **24/7**

BlueCross BlueShield of Illinois

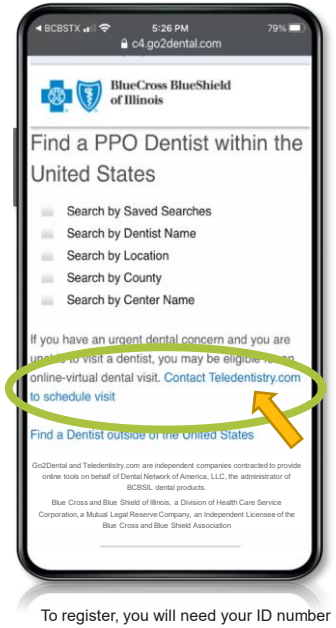

Virtual dental visits powered by **Teledentistry.com** are included as part of our **BlueCare Dental PPO**SM network

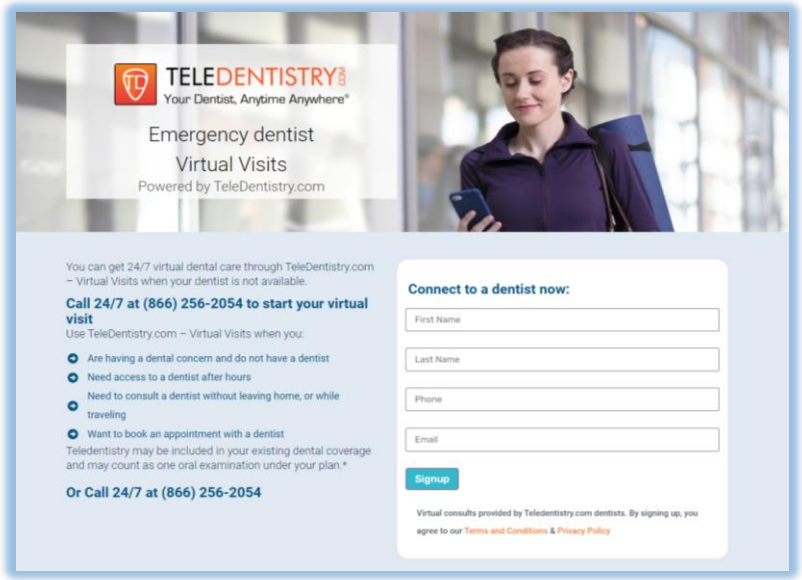

## Did you know?

Many people suffering from dental pain end up in an emergency room because they don't know what else to do when they have a concern and can't get to their regular dentist. Virtual visits give you an option to have your urgent issue evaluated in 10 to 15 minutes.*

## Website or Mobile App

- Click on the link on Provider Finder BlueCare Dental PPO℠ search page
- Complete the registration form

To register, you will need your ID number on the back your ID card OR you can call Customer Service. Images are for illustrative purposes only.

## What can a virtual dentist visit do for you?

- Provide access to a dentist 24/7 when your regular dentist is not an option, like after hours or when traveling.
- Consult via video conference without leaving your home, workplace or while traveling.
- Address tooth pain due to things like cavities, gum disease or impacted wisdom teeth.
- Prescribe medications** as necessary to offer relief of pain or discomfort.
