## Quick and Easy Ways to Find Providers and Treatment Costs

Integrated Provider Finder from Blue Cross and Blue Shield of Illinois (BCBSIL), is an innovative way to help you estimate and manage health care costs. Plus, you can select providers using independent, third-party quality ratings and meaningful patient reviews.

You can use the Integrated Provider Finder tool to:

- Find a network primary care physician, specialist or hospital.
- Filter search results by doctor, specialty, ZIP code, language and gender – even get directions from Google Maps™.
- Make an appointment to consult with a provider in select geographic areas.
- Estimate the cost of a provider’s procedures, treatments and tests and help estimate your out-of-pocket expenses.
- Determine if a Blue Distinction Center for Specialty Care® is an option for treatment.
- View patient feedback or add your review for a provider.
- View quality, certifications and recognitions for doctors.

It’s easy, immediate, secure – and available at [bcbsil.com](http://bcbsil.com).

Integrated Provider Finder shares information that puts you in charge.

- Do you want to know more about the providers who take care of you or your family?
- Do you need to know the estimated cost of a medical service and your estimated out-of-pocket share of the cost?
- How do you choose where to go for medical services?
