Dear DePaul Retiree:

DePaul University will be conducting Open Enrollment for choosing medical coverage this year starting Monday, Oct. 24, 2022, through Friday, Nov. 4, 2022. Individual enrollment materials will be mailed by Wednesday, Oct. 14, 2022. Changes made during the upcoming Open Enrollment period will become effective on January 1, 2023.

To prepare for the Open Enrollment period, we will once again hold our annual Health & Benefits Fair in mid-October. While we will have a virtual fair that will launch during this time, we are happy to share that we are able to once again hold in-person sessions!
