**Program Overview**

**What is Back-Up Care?**
Back-up care is temporary care provided during a lapse or breakdown in normal care arrangements. The Back-Up Care Advantage Program® is a program designed to provide alternative care until normal care arrangements can resume.

**How Can the Back-Up Care Advantage Program Help?**
The Back-Up Care Advantage Program finds solutions! This service, subsidized by your employer, helps you get to work when you need temporary care for a loved one. Anyone who relies on you as a primary caregiver qualifies to receive care when normal care arrangements break down. Through this service, you have 24-hour access to a team of Back-Up Care Consultants who will find and schedule care on your behalf.

One of the best parts is that your employer has already covered some or all of the cost of care.

You receive care through our National Back-Up Care Advantage Program Network. This group of in-home care agencies is available to provide you with temporary care for healthy or mildly ill children and adults.

Every effort will be made by our Back-Up Care Consultants to solve your temporary breakdown of care and get you to work. Care availability will depend on the type of care requested and the availability of providers on any given day.

**Program Details**

The Bright Horizons® Back-Up Care Advantage Program is designed to provide you with back-up care whenever your normal dependent care arrangements are unavailable. This extensive network encompasses thousands of in-home care agencies that have been identified and invited to join our network to support the needs of employers across geographies. Each provider is monitored for performance through a comprehensive quality assurance program administered by Bright Horizons.

The Back-Up Care Advantage Program provides temporary care to allow you to get to work when your normal care arrangements are unavailable. Care recipients can be any age (whether healthy or mildly ill), including infants, toddlers, school-age children, adult children, and those with special needs.

Your employer has engaged Bright Horizons to offer you this important benefit, and we have worked together to tailor the Back-Up Care Advantage Program to your needs.

**Back-Up Care — In-Home Child Care**

Back-up child care is available in your home through a nationwide network of child care providers. Caregivers employed by these providers can care for your child in your home in the event that your child’s regular care arrangements are not available. These caregivers also can care for your child in your home when your child has a common, short-term, non-contagious illness or symptoms of an illness.

Personal care assistants, home health aides, and nannies commonly provide care to well children. Home health care professionals provide care to mildly ill children. All caregivers are trained and experienced in child care and meet stringent credentialing requirements.
In the event medical care is determined to be required by the Care Consultant in consultation with you, care is provided by certified nurse assistants, licensed practical nurses, or registered nurses, depending on the medical skill level required. Medical care can include administration of medication, dressing and wound care, or diabetes monitoring (please see our “Mildly Ill” and “Medication Administration” policies below). Additional fees may apply where medical care is provided.

Eligibility and Limits on Use
Your employer participates in the Back-Up Care Advantage Program to assist you in balancing the competing demands of work and life.

- You can use the back-up care services when you need to be at work and your regular care arrangements are unavailable.
- You can use the back-up care services up to a specified number of days per year.
- Care can be scheduled for up to five consecutive days.

Please reference the Program Details page of your employer’s Back-Up Care Advantage Program Web site at backup.brighthorizons.com or your employer’s intranet for more information on use limits for the Back-Up Care Advantage Program.

Copayments
Your employer may have established a copayment requirement in connection with the use of the Back-Up Care Advantage Program. Copayments are payable by credit card, debit card, or Electronic Fund Transfer (EFT). Copayment information is collected on the day care is reserved; Copayments are processed on the day following the utilization. You will need to provide payment information in order to place a reservation request and credit/debit cards will be pre-authorized. The charge for services provided will be processed after the services are provided. Please reference the Program Details page of your employer’s Back-Up Care Advantage Program Web site at backup.brighthorizons.com or your employer’s intranet for more information on copayments for the Back-Up Care Advantage Program.

Availability of Care
During periods of high demand (for example, vacation periods, holidays, etc.), and in some geographic areas, it can be difficult to meet the back-up care needs of all employees. We encourage you to plan in advance whenever possible. The Back-Up Care Advantage Program accepts reservations up to one month in advance of the proposed day of care, which is particularly important for care requests during periods of high demand.

How the Program Works
Registration
You and your family member(s) must be registered for the Back-Up Care Advantage Program before you may make a reservation and use the back-up care services. When you contact the Back-Up Care Advantage Program, a knowledgeable Back-Up Care Consultant will help you complete registration.

We strongly recommend that you register in advance so that you are ready to use the Back-Up Care Advantage Program when you need care.

There are two ways to register for the Back-Up Care Advantage Program:

- Visit backup.brighthorizons.com or your employer’s intranet. Your employer’s username and password are required. For more information, call the toll-free number below.

- Call 1-877-BH-CARES (1-877-242-2737). Back-Up Care Consultants are available 24 hours per day, seven days a week.
Reservations, Changes, and Cancellations

**Reservations**
Employees can make reservations for back-up care services up to one month in advance by calling 1-877-BH-CARES (1-877-242-2737). When you need to make a reservation for back-up care, a Back-Up Care Consultant will ask you a few questions to fully understand your needs, such as information about your family member, when you need care, and the location where care is needed. The Care Consultant will review potential options for care with you and will make the arrangements with the provider on your behalf. Based on your care preferences, the Care Consultant will send you any forms that may be required to be completed and submitted for care in your area; certain forms may be required by state or local regulations or provider policies. You may send completed materials to the provider in advance, or provide them to the caregiver on the day of care. If at any time you choose to use a different provider other than what you initially selected, the Care Consultant will send you any additional required forms or materials with your reservation confirmation.

Please note that while our call center operates 24/7, many of our providers do not. As such, requests made during non-business hours for next day care will be researched promptly, but care will likely not be confirmed until the provider opens (typical operating hours are 7:00 a.m. to 6:00 p.m.).

**Changes**
If you need to make any changes to your reservation, including the hours of care, you must contact 1-877-BH-CARES (1-877-242-2737) in order to revise your care arrangements. We will contact the provider on your behalf to make the necessary changes and will adjust any applicable copayment accordingly.

**Cancellations**
If you need to cancel your reservation you must call 1-877-BH-CARES (1-877-242-2737) before 5:00 p.m. (local time) on the business day prior to the day care is scheduled. Any cancellations received after this time will be considered late, will be counted as a use, and will result in your being charged any applicable copayment fee.

**User Surveys**
Following the delivery of back-up services, you will receive a brief survey from the Back-Up Care Advantage Program by e-mail. Your comments and suggestions will enable us to continually revise and improve the quality of services available to you. Thank you in advance for your cooperation.

**Non-Solicitation of Caregivers**
The caregivers providing Services in the Back-Up Care Advantage Program are highly qualified professionals performing valuable services for a variety of participants in the program. Each caregiver has received specific training for this purpose. By using the services, you and your family members agree not to solicit, employ, or enter into any arrangements with any Back-Up Care Advantage Program caregiver to perform dependent care or similar services under any circumstances within one year following the most recent date of your family's use of the services, without the express written permission of Bright Horizons. A placement fee of up to $5,000 shall be due and paid upon any employment or other arrangements with any caregiver. Other restrictions, permissions or fees required in connection with such employment or arrangements may be established by the Back-Up Care Advantage Program employer of the caregiver.
Program Policies

Consecutive Days of Care
You may request up to five consecutive days of care. Requests that exceed five consecutive days of care will require client approval.

Greet and Release

- An adult (someone who is at least 18 years of age) must be present both when the caregiver arrives and when the caregiver departs.

- The adult must be someone who is willing to take responsibility for the care recipient(s) should the caregiver fail to arrive or otherwise be unable to provide care at the last minute. (This can include, but is not limited to, a parent or guardian, a grandparent, an adult sibling, or a friend of the family.)

- The adult, or adults, must be identified at the time care is requested.

- The parent or guardian must take responsibility for greeting and/or releasing the caregiver in the event that the adult designated is unable to perform that function.

Hotel care
Requests for care to take place at a hotel can be accommodated and are provided by our in-home agency network. The caregiver and care recipient(s) are not allowed to leave the room. Specific questions will be asked when the reservation is made related to what you will allow (e.g., guidelines related to room service, watching TV/movies, etc.).

Housekeeping/Meal Preparation:

- Light housekeeping is reasonable as it relates to the care of the care recipient only.

- Light housekeeping normally includes: cleaning kitchen after meals/snack preparation, straightening up family/living room and children’s room (if the child has played in the room during the day), etc.

- Meal preparation is related to the care recipient only.

- Meal preparation normally includes: cooking meals and preparing snacks for the care recipient to be eaten during the hours of care.

Medication Administration
Caregivers may not dispense prescription or over-the-counter medication directly to any care recipient in their care.

- Caregivers are only allowed to remind the care recipient to take his or her pre-measured medication at an assigned time when authorized by the employee.

- Parents/guardians may make other arrangements for third parties to dispense medications (e.g., a neighbor), provided the caregiver is notified in advance.

- In–home care professionals that can dispense medication are Registered Nurses (RNs) or Licensed Practical Nurses (LPNs).

- Medical care must be requested at the time the reservation is placed and an additional fee of $50 per hour (one hour minimum) will apply if dispensing of medication is required for the care provided.
Meet and Greet
You may request to set up a Meet and Greet to meet the caregiver in advance. You are charged a use and any applicable copay for the meet and greet and all applicable care minimums apply (i.e., four hour minimum for in-home care).

Mildly Ill Care
Mildly ill care is defined as care for an illness that is temporary and non-progressive in nature.

- The child feels too ill to engage in normal everyday activities, however, does not feel so ill that they need to stay in bed, and may need short rest periods until feeling better.

- They may have low grade fever controlled by Tylenol or Ibuprofen and able to tolerate food and fluids.

- Caregivers may not dispense prescription or over-the-counter medication directly to any care recipient in their care. (Please see “Medication Administration” policy above.)

- Caregivers are only allowed to remind a care recipient to take his or her pre-measured medication at an assigned time where authorized by the employee.

- In-home care professionals that can dispense medication are Registered Nurses (RNs) or Licensed Practical Nurses (LPNs).

- Medical care must be requested at the time the reservation is placed and an additional fee of $50 per hour (one hour minimum) will apply if dispensing of medication is required for the care provided.

Outdoor Activities
Caregivers are required to provide care for care recipients in the homes of employees or other authorized locations. Caregivers may leave the premises only with the prior authorization of the employee and notification of Bright Horizons.

Swimming
Caregivers may not accompany care recipients to any body of water (pools, lakes, etc.) other than in connection with a pre-arranged activity with a third party responsible for the activity (e.g., a swimming class with an instructor) and only with the prior authorization of the employee and notification of Bright Horizons.

Transportation
Caregivers may not transport any care recipient in a private vehicle. Caregivers are only allowed to accompany a care recipient using public transportation (i.e. taxi, bus, train, or special transit) when required in connection with the care provided and only with the prior authorization of the employee and notification of Bright Horizons.

Visitors During Care
No visitors shall be permitted at the premises without prior authorization of the employee and notification of Bright Horizons. No authorized visitors may be under 18 years of age.
