Rely on *Bright Horizons Back-Up Care*™ if school's closed or your caregiver is unavailable. We'll arrange high-quality care for you so you'll have peace of mind, and your loved ones will get the care they need.

As of March 21, 2020, if care is not available through the back-up care program, you will be offered the option to secure care from within your own personal network (a neighbor, friend, or babysitter) and receive a reimbursement of \$100 per day. More details will be provided during the reservation process.
