STUDENTS: REGISTER FOR BLUEKEY MULTI-FACTOR AUTHENTICATION

Multi-factor authentication is coming to many DePaul systems and applications. Although most DePaul employees have likely registered, Information Services encourages students to do the same. Register now, and you're all set!

LEARN SOMETHING NEW WITH LINKEDIN LEARNING

DePaul students, faculty and staff can use their BlueKey login credentials (username@depaul.edu and password) to access a huge library of training courses taught by industry-leading experts.

GET THE MOST OUT OF OFFICE 365

Explore these comprehensive and helpful tutorials that cover Office 365 applications that DePaul students, faculty and staff can access with their BlueKey login credentials.

COMMUNICATE AND COLLABORATE WITH TEAMS AND ZOOM

Use Microsoft Teams and Zoom to communicate and collaborate with members of the DePaul community. Create teams, chat with others, share files. Learn more about the variety of ways to connect and create with Zoom and Teams.

PLEASE CHECK HOURS DUE TO COVID-19
