

READY, SET,  
**DEPAUL.**

READY, SET,  
**DEPAUL.**

## YOUR FAST TRACK TO FOUR YEARS & BEYOND.

We don't think of orientation as an introduction to college life. We think of it as an introduction to the rest of your life. At DePaul, you'll be challenged by inspiring professors, you'll form friendships that last long after graduation, you'll explore the world around you (starting with the city of Chicago), and you'll hone the skills you need to succeed in the real world because you'll be in the real world from day one.

### AND IT ALL STARTS WITH YOUR FRESHMAN YEAR.

It's an exciting time, and we're here to make sure you're equipped for the transition. During orientation—we call it Premiere DePaul—you'll learn the ins and outs of life at DePaul.

With the guidance of an academic advisor, you'll plan your first quarter. At your virtual Premiere DePaul session, you'll learn more about university resources to help you succeed as a student and you'll have your questions answered honestly in small-group discussions led by current students.

**ARE YOU READY? LET'S GET STARTED.**

# PREMIERE DEPAUL

Your new student orientation experience includes two required portions, both will take place online during the summer of 2021. You will register for both of these portions through Blue Demon Domain.

In your academic advising appointment, you will meet with an advisor in your college of enrollment to discuss your degree requirements and to register for fall quarter classes. This meeting will last for approximately one hour. Academic advising appointments are offered from May–September.

During your two hour virtual Premiere DePaul session, you will learn about university resources and opportunities for engagement. Orientation Leaders—current DePaul students—will lead you through activities to help you connect with each other and with the university. You'll have plenty of time to ask questions about college life and more throughout and your Orientation Leader will reach out to you over the course of the summer to help you get ready for your fall quarter. Virtual Premiere DePaul dates span from late June–August.

## FAMILIES ARE WELCOME

Parents and family members are welcome to join you for the virtual Premiere DePaul portion of orientation. In addition to the virtual Premiere DePaul session, parents and family members can find helpful videos made just for them by visiting the website [parents.depaul.edu](https://parents.depaul.edu) and clicking on "Parent & Family Orientation."

## IS PREMIERE DEPAUL ONLINE?

In summer 2021, the required portions of Premiere DePaul orientation will be held online. All incoming students must attend online academic advising and virtual Premiere DePaul prior to starting their first quarter.

We hope to offer some optional in-person events later in the summer to introduce new students to campus. Please check your email regularly for announcements and registration links for potential in-person events.

## HOW DO I GET STARTED?

Log in to [go.depaul.edu/bluedemondomain](https://go.depaul.edu/bluedemondomain) to

- ☐ Complete placement process
- ☐ Complete pre-orientation online module
- ☐ Register for orientation (academic advising and virtual Premiere DePaul)
- ☐ Submit final transcripts
- ☐ Submit AP/IB/CLEP results or other sources of college credit

## WHAT IS CHICAGO QUARTER?

In your Chicago Quarter courses (Discover or Explore Chicago), you'll learn about the city while honing the all-important writing and critical-thinking skills needed for a successful college career. Led by teaching teams composed of a faculty member, staff professional and student mentor, these courses also introduce you to the services and resources available to support your transition to university life.

### REGISTER NOW

We keep Discover Chicago and Explore Chicago classes small so you get the most out of the experience. Keep in mind that courses fill quickly, and registration is on a first-come, first-served basis. Find more information about these courses at [go.depaul.edu/ChicagoQuarter](https://go.depaul.edu/ChicagoQuarter).

You'll register for a Chicago Quarter course when you register for Premiere DePaul.
