THIS WEEK: HOW TO LOGIN TO CAMPUS CONNECT

Why is [CampusConnect](#) important? You will use this system to register for courses, apply for housing and pay your DePaul bills.

If you have not already received your Campus Connect username and password, follow the steps below. The entire process will be short, but the information is time-sensitive so **once you begin, you have to complete it.**

- Step 1:** Click on this link (<https://bluekey.depaul.edu/account/create>) to get your Campus Connect username and to set up your password. You will be asked to verify the email address you listed on your application for admission and your date of birth. **DO NOT** click on this link if you are not able to immediately proceed with Step 2, as it is a time-sensitive process. If you don't have time to complete both steps 1 and 2, save this email and return to it later when you're able to complete both steps.
- Step 2:** Immediately after you verify the requested information you will receive a second email with additional instructions to set your password. For your security, the information within this second email will only be valid for one hour after it is requested.

I NEED MORE HELP!

If you have any questions or encounter problems regarding this process, please contact the DePaul Technology Support Center at 001-312-362-8765 or tsc@depaul.edu.

Welcome to DePaul University! You may always reach us at ISS@depaul.edu.

Best wishes,

The ISS Team

Why am I receiving this email?

Soon you will begin your academic adventure at DePaul University. DePaul is a large university and International Student and Scholar Services (ISS) will connect you to the many resources you need to be successful here. In the weeks before you start your first quarter as a DePaul student, ISS will send you emails with information that will help you prepare. In case you miss any of our communication, we will also have it posted to our [website](#) so you may catch up on the various topics covered. Also, please don't forget to visit our website to learn more about how to register for your [international student orientation](#) and what to expect.
