

## International Student and Scholar Services

### THIS WEEK: IMMIGRATION & STAYING IN STATUS

International students should be familiar with the basic rules affecting their non-immigrant F-1 or J-1 visa status. As an F-1 or J-1 student you will hear the importance of “maintaining lawful status” but what does this mean?

Click on this link to participate in a short, required online class (<http://d2l.depaul.edu>) to introduce you to the immigration regulations most important to your stay in the U.S., including the following:

- Can you work in the U.S.?
- How many classes do you have to take to be considered a “full-time” student?

**Successful completion of this online class is mandatory and should be completed prior to your arrival in the United States!**

### WHERE CAN YOU GET MORE INFORMATION?

Visit our website to learn more about how to [register](#) for your international student orientation! All international students are required to complete the short online class but there is more to learn once you arrive on campus.

Our office is committed to educating you about how you can maintain your lawful F-1 or J-1 student status so you can make well-informed and responsible decisions while you are studying at DePaul University. [Click here to view more information on how to apply for your student visa.](#)

You may always reach us at [ISS@depaul.edu](mailto:ISS@depaul.edu).

We look forward to meeting you soon!

Best wishes,

The ISS Team
