The DePaul Emeritus Society is comprised of four standing committees. Listed below are the committees and their broad goals. Please tell us what additional tasks you would like to see accomplished by one or more of these committees.

Standing Committee What Would You Like to See Done?

The Retiree Benefits Committee works with DePaul’s Office of Human Resources and Benefits to enhance communications with retirees and helps create opportunities for retirees to better understand their benefit options; moreover, it provides feedback that may possibly influence University initiatives.

The Communications and Membership Committee coordinates DES’s Newsletter; sends birthday, condolence and other communications to retirees; oversees the DES Facebook, web page, and blog; and encourages participation in luncheons, volunteer activities and other events.

The Special Events and Projects Committee oversees DES projects such as the Oral History Project and the Memorabilia Project; plans semi-annual luncheons; and identifies new special events and projects that will engage and serve our retirees.

Philanthropy Committee works with DePaul’s Office of Advancement to solicit gifts for the annual DES Giving Campaign and coordinates activities in supporting the DES Endowed Scholarship Program and its student recipients.
