

DePaul Students Seeking Enrollment at Catholic Theological Union Request Form

DePaul University and Catholic Theological Union (CTU), as a part of their alliance, have committed to cross-enrollment opportunities for DePaul undergraduate students to pursue educational study at CTU. As part of this cross-enrollment opportunity, DePaul students may only take courses at CTU as non-degree/certificate seeking students or as degree-seeking students in pre-approved coordinated BA/MA programs. DePaul students may not audit courses at CTU and may not otherwise take courses at CTU as degree/certificate seeking students through this program.

To participate in this program, DePaul students wanting to take courses at CTU must complete this form and submit it to DePaul's Office of Mission & Values' DePaul-CTU Partnership Coordinator before the start of the CTU course. A complete explanation of the policies and procedures for DePaul students taking courses at CTU may be found at [Office of Mission & Values - Grants & Scholarships Website](#).
