

Fall Workshops

Lunch & Learn Series

- ***Convergent Research- Part 1: Creating Collaborative Partnerships to Advance Research***
 - Faculty will present on emerging trends in convergent research and their collaborative research study. The Convergent Research Grant Competition will be introduced in preparation for Innovation Day 2022 and faculty will have time to network to begin identifying shared research interests.
 - October 8, 2021 from 12:00 – 1:00 pm at the Loop Campus, 14 E. Jackson, Rm 330/Zoom (hybrid)
 - RSVP: [Lunch & Learn: Convergent Research, Part 1 \(google.com\)](#)
- ***Convergent Research- Part 2: Strategies to Support Collaborative Partnerships***
 - Panel of Faculty will share their best practices for successfully connecting and collaborating with faculty to address multidisciplinary issues. Faculty will have an opportunity to network with others and ask questions regarding the Convergent Research Grant Competition.
 - November 5, 2021 from 12:00 – 1:00 pm at the Loop Campus, 14 E. Jackson, Rm 330/Zoom (hybrid)
 - RSVP: [Lunch & Learn: Convergent Research, Part 2 \(google.com\)](#)

IRB E-Protocol Workshop

- This workshop will detail the online submission process for the IRB. If you are new to the eProtocol system or to the DePaul IRB submission process in general, please feel free to join this Zoom workshop. The workshop will entail the levels of IRB review, the IRB website, and the eProtocol online submission process.
- September 23, 2021 from 1:00 – 2:00 pm via Zoom
- RSVP: [IRB eProtocol Workshop \(google.com\)](#)

Internal Funding Workshop: Council Grant and AGIF Programs

- This workshop will provide an overview of the University Research Council (URC), Quality Instruction Council (QIC), and Public Service Council (PSC) grant programs. Internal grant proposals are available for submission via [Blackbaud](#).
- September 24, 2021 from 10:30 am – 12:00 pm at the Loop Campus, 14 E. Jackson, Rm 330/Zoom (hybrid)
- RSVP: [Council Grant Programs and AGIF Programs Information Workshop \(google.com\)](#)

Paid Leave Workshop

- This workshop will provide an overview of the application process for the DePaul Paid Leave Program. Applications are due on December 15, 2021 via [Blackbaud](#) for the 2022-2023 academic year.
- October 1, 2021 from 10:00 – 11:00 am at the Loop Campus, 14 E. Jackson, Rm 330/Zoom (hybrid)
- RSVP: [Paid Leave Workshop \(google.com\)](#)

Searching for External Funding

- This workshop will cover the basics of using grant search engines to find sources of funding for research projects, understanding the different funding mechanisms, and working effectively with Office of Research Services.
- Tuesday, October 12 from 11:00 AM - 12:30 PM, Lincoln Park Student Center, Room 314 A
- RSVP: [Searching for External Funding](#)

Society of Vincent DePaul Professors (SVdPP) and the Office of Research Services present: Creating a New Normal in a Covid Society

- The keynote speaker, Dr. Allison Arwady, Commissioner of Chicago Department of Public Health, will discuss the impact of Covid on Chicago and the next steps for our community. A panel of SVdPP research panelists will follow, as they discuss their Covid-related projects and the implications for the future.
- October 29, 2021 from 12:00 – 2:00 pm in DePaul Center 8005 and Zoom

SAVE THE DATE: Innovation Day 2022: Connecting through Convergent Research

- The 3rd annual Innovation Day will be focused on collaborative, interdisciplinary, and convergent research. Various faculty panels will highlight research and innovation projects with social impact, with equity and inclusion impact, and with industry partnerships. The Convergent Research Competition finalists will present on their projects and the winners will be announced at the end of the conference.
- January 28, 2022 from 9:00 am – 2:00 pm
