

DEPAUL UNIVERSITY

Hazard Communication

Category: Operations

Responsible Department: Environmental Health & Safety

Responsible Officer: Treasurer

Effective Date: 10/18/2023

Policy Summary

This policy explains the University's compliance with OSHA's Hazard Communication Standard (Title 29 Code of Federal Regulations 1910.1200) and Laboratory Standard (Title 29 Code of Federal Regulations 1910.1450), and other required state and local safety related regulations.

Scope

This policy affects the following groups of the University:

- Entire University Community

This policy affects all members of the University Community.

Policy

DePaul University complies with the OSHA Hazard Communication Standard (Title 29 Code of Federal Regulations 1910.1200) and Laboratory Standard (Title 29 Code of Federal Regulations 1910.1450) and other required state and local safety related regulations.

The Environmental Health & Safety Office, in consultation with other affected departments, ensures compliance with federal and state regulations relating to chemical hygiene; the inventory of chemicals; compilation of safety data sheets (SDSs); the proper storage of chemicals; the disposal of hazardous waste and the provision of safety training and “right-to-know” information for employees and students working with or around chemicals.
