

The Blue Ribbon

Winter 2020

Dear Colleagues,

Happy New Year! Athletic Academic Advising and the Department of Athletics are proud to share our Blue Ribbon Newsletter. This annual publication highlights the academic achievements of DePaul student-athletes, and this edition reflects achievements during the 2018-2019 academic year, as well as fall 2019:

- The program as a whole recorded a 3.462 GPA
- Two teams earned the highest GPA in the BIG EAST Conference—Softball and Women's Tennis
- A record 177 student-athletes (83.1%) were named to the 2018-2019 BIG EAST All-Academic Team

In addition to last year's achievement, student-athletes have continued academic excellence in the 2019-2020 fall quarter:

- 172 student-athletes (81.9%) earned over a 3.0
- 128 student-athletes (61.0%) earned over a 3.5
- 31 student-athletes (14.8%) earned a perfect 4.0

Student-athletes work hard to balance the rigors of academics and the demands of their sport. The assistance they receive from faculty and staff is greatly appreciated, and we wish to thank you for your support. We are very proud of these accomplishments and know that you play an important role in the academic success of our student-athletes.

We ask that you join us in honoring our BIG EAST All-Academic Team at a halftime ceremony during the men's basketball game versus Xavier on Tuesday, February 4th at 8 p.m. at Wintrust Arena. The first 50 faculty or staff to RSVP will receive two complimentary tickets and dinner prior to the game at Pizano's Pizza and Pasta starting at 6 p.m. [RSVP Here](#).

For those faculty and staff who do not attend dinner or receive tickets, discounted game tickets will be available for purchase online with the discount promo code "AAANIGHT." All faculty and staff in attendance will be invited to the court at halftime to participate in our recognition ceremony.

We work hard each day to make DePaul Athletics something of which the university community can be proud, and thank you in advance for your continued support of our student-athletes. We look forward to seeing you on February 4 or at another athletic event in the near future--our student-athletes would love to see you at one of their competitions.

If we can be of assistance to you, please do not hesitate to contact us.

Letter from the Captains' Council

Dear DePaul Community,

DePaul student-athletes strive to embody the saying, "Here, we do." We continually strive for excellence in our various sports, in academics and in upholding DePaul's Vincentian values. In all our endeavors, we aim to respect and preserve human dignity, serve underprivileged populations and continuously amplify the voices of those who have not traditionally been heard.

As Captain's Council members, we continually strive to improve the college experiences of our fellow student-athlete peers. We are a student-led organization of team captains who meet monthly to discuss and initiate community service projects, serve as student-advisories on administrative matters and partake in social justice initiatives. We participate in various community service events all year round as the entire student-athlete body and as individual teams. During our fall quarter orientation, the student-athlete body made hundreds of blankets to be distributed to the children at the Saint Vincent de Paul center. A few of the events our teams volunteer at include the Chicago Marathon, Lakeview Pantry, DEMONthon and Vincentian Service Day. In addition, student-athletes utilize their talents by facilitating sports clinics for children from various backgrounds.

During the fall quarter, as part of our social justice initiatives, Captain's Council participated in the NCAA Diversity and Inclusion Social Media campaign. The focus of the campaign was to highlight the core values and multiple identities of student-athletes, creating connections across campuses and committing to take action in furthering inclusive excellence. As part of the campaign, members of Captain's Council created videos with students and student organizations around campus to showcase what diversity and inclusion meant to them as well as the action they planned on taking to be intentionally inclusive in their spheres of influence.

As the school year progresses, Captain's Council will continue leading service initiatives and will strive to uphold our Vincentian values to ensure the betterment of our community. We will be hosting a competitive dodgeball event for charity in collaboration with various student organizations during winter quarter.

Sincerely,

Rutendo Chimbaru
Captain's Council President
