Academic School Year September 2015–July 2016

## From The President

*Dear Parents and Family Members,*

Welcome to DePaul. Your family is now part of the nation's largest Catholic university, one that capitalizes on the rich resources of our world-class city and instills a commitment to social responsibility that prepares students to make a difference in their personal and professional lives. If you do not already know, you will learn soon that a DePaul education is distinctive. Academic excellence is our top strategic priority, and that is why DePaul offers an array of highly ranked programs that merit their national recognition. DePaul faculty, who are focused on teaching, integrate real-world experiences into the classroom and ensure our curriculum reflects the most relevant business and societal trends.

The success of this approach has earned the respect of employers. DePaul's vast network of connections includes more than 167,000 alumni who work in top companies and key faculty members who maintain strong business relationships, each of which create opportunities for hands-on internships at multinational corporations and non-profits alike. From the boardroom to the arts, from the classroom to community organizations, government and beyond, DePaul has contacts and affiliations that set students on their career path of choice.

DePaul is constantly reinventing itself. Just within the last few years, DePaul has created and improved facilities that emphasize quality and enable our programs to use the latest techniques and technology to prepare students to achieve their goals.

We follow in the footsteps of our namesake, St. Vincent de Paul, in honoring the dignity and unique contributions of each individual. Known as the Apostle of Charity, he was devoted to sparking systemic progress on the most pressing societal issues of his time. If we can develop a sense of responsibility for the poor and powerless in our students, we will have succeeded in shaping graduates worthy of a diploma from the university that bears Vincent's name.

May DePaul students bring fresh ideas and humanitarian approaches to the professions they pursue and contribute a vision of justice to their community conversations.

Sincerely,

*Rev. Dennis H. Holtschneider, C.M.*

Rev. Dennis H. Holtschneider, C.M.

# All About DePaul University

## St. Vincent de Paul

The university takes its name and founding mission from St. Vincent de Paul. Born a peasant in 1581, St. Vincent developed a keen interest in empowering the poor and increasing the availability of education. He was a compassionate and deeply spiritual priest who brought together and inspired groups of like-minded women and men to join him in addressing the needs of the poor and the reasons for their poverty and marginalization. Vincent was also a man of wisdom who believed in the power of education to transform the world for the better. He believed in the sacredness of human life and the God-given dignity and inestimable value of each person.

## History of the University

The religious community founded by St. Vincent, commonly known as Vincentians, established St. Vincent's College in 1898 and endowed it with a distinctive spirit: to foster in higher education a deep respect for the God-given dignity of all persons, especially the materially, culturally and spiritually deprived, and to instill in educated persons a dedication to the service of others. The college continued Vincent de Paul's legacy of service through its commitment to education and Chicago's underprivileged populations.

Today, DePaul is the largest Catholic university in the United States and the largest private university in Chicago. The university enrolls a richly diverse population of nearly 24,000 students.

DePaul offers study in each of its academic colleges: Liberal Arts and Social Sciences, Science and Health, Business, Education, Communication, Music, Theatre, Computing and Digital Media, New Learning and Law. In addition, its reach extends around the globe, from its MBA and other degree programs offered in Taiwan, Bahrain and Kenya, to its many programs of foreign study all over the world.

## President

Rev. Dennis H. Holtschneider, C.M.

## Campuses

DePaul has four campuses: Lincoln Park, Loop, Naperville and O'Hare.

## Athletic Nickname

Blue Demons. In 1900, when the first athletic team to represent DePaul University was organized, the monogram "D" was selected for the uniforms. From this originated the nickname "D-men" which evolved into "Demons." The blue, combined with Demons, signifies loyalty and was chosen in 1901 by a vote of the student body.

## Athletics

Member of the BIG EAST Conference. DePaul's intercollegiate athletic teams compete in NCAA Division I in: women's basketball, cross country, soccer, softball, tennis, track and volleyball; men's basketball, cross country, golf, soccer, tennis and track.

## University Colors

Blue and Red

## Academic Success and Resources

### Academic Integrity

DePaul fosters the pursuit of knowledge and the transmission of ideas within a context of responsibility for oneself, for others and for society at large. Violations of academic integrity, in any form are, therefore, detrimental to the values of DePaul, to the students' own development as responsible members of society, to the pursuit of knowledge and to the transmission of ideas. All members of the university community share the responsibility for creating conditions where violations of academic integrity are curtailed. A complete copy of the Academic Integrity Policy can be obtained at [academicintegrity.depaul.edu](http://academicintegrity.depaul.edu).

### Academic Advising

Academic advisors help students achieve their educational, personal and career goals by providing expertise, mentorship and assistance throughout their academic career. Successful students work closely with their academic advisor to set goals, identify academic options, navigate degree requirements and understand the implications of their decisions as they work toward graduation.

During orientation, students meet with an academic advisor who assists in initial class registration and provides an introduction to academic opportunities at DePaul. After orientation, students will be assigned an advisor based on their academic plan and should meet with that advisor regularly.

For additional information, visit [depaul.digication.com/student\\_success/advising](http://depaul.digication.com/student_success/advising) or contact the college advising office.

# Living on Campus, Transportation and Safety

## Living on Campus

Students living on campus are encouraged to read their Housing Agreement and the Guide to Student Housing carefully. It is important that all residents understand policies regarding rooms and guests, as well as behavioral expectations. Living on campus is a privilege, not a right. As such, there are certain standards of behavior that all residential students and their guests must follow in order to allow the entire residential community to fulfill their academic, social and personal goals. Detailed information regarding residence hall housing can be obtained on the Housing Services and Residential Education websites or by calling these respective offices.

The university commits itself to campus safety and offers many educational programs and crime prevention services through its 24-hour Public Safety Office. Students are encouraged to practice crime-prevention habits and to use DePaul Public Safety programs.

Emergency call boxes and security alarms are found throughout DePaul's campuses, and an evening on-campus escort service from 6 p.m.-6 a.m. provides additional safety. DePaul Public Safety also publishes helpful safety brochures, can register bikes and offers crime prevention workshops throughout the year.

The Public Safety Office employs its own certified officers in addition to off-duty Chicago police officers. All major crimes occurring on DePaul's campuses are reported to both DePaul Public Safety and the Chicago Police Department.

## Safety On and Around Campus

In an urban environment, crime is a fact of life. Your student's effort to avoid becoming a victim is a large step towards beating the odds of victimization. Alertness, confidence and trust in one's instincts are the best resources. We have a few tips on personal safety for your student:

1. Thieves are looking for an opportunity for easy prey. Community members should not get too comfortable and forget that valuables, particularly small items, can easily be concealed and lifted.
2. An unlocked and unattended office area or residence is an open invitation for anyone who might wish to take advantage of this situation for undue gain. Students should double check their locks on the way out. Encourage your student to study in open areas around other people. An isolated, empty classroom might be quiet, but it is not as safe and secure as a general area.
3. Your student should try to carry only the cash and credit cards they need.
4. Encourage your student to walk in a group, as well as on well-lit streets and avoid people on the street who they feel might present a problem.
5. Students should know where they are going and avoid exploring at night.
6. Encourage your student to ride in the front car of the "L" whenever possible.
7. If your student is driving, he or she should park in well-lit areas and double check their locks. Also, remind your student not leave any valuables visible in the car.
8. A strong and sturdy chain or anti-theft device, along with a good lock, should stop any bike thief.
9. Students should note the location of emergency call boxes (blue columns with a blue light affixed to the top) and should not be afraid to use them if the need arises.
10. Report any and all crime to DePaul Public Safety and take the necessary steps to alert police.

## Crime Prevention and Security Awareness

DePaul University's Public Safety Department adheres to the dictum that it is more prudent to prevent crimes than to react to them after the fact. This program is based upon the dual concepts of eliminating and minimizing criminal opportunities whenever possible and encouraging students and employees to be responsible for their own security and the security of others. Public Safety offers a variety of educational and crime prevention programs. Please visit the Public Safety website for a complete list of programs: [publicsafety.depaul.edu](http://publicsafety.depaul.edu).

## Parking Services

[parkingservices.depaul.edu](http://parkingservices.depaul.edu)

DePaul offers student parking throughout the Lincoln Park Campus in various university flat lots and garages. Annual parking permits are available at the Lincoln Park Parking Services office beginning in late August. Visitors should use either parking deck, located at 2331 North Sheffield Avenue and 2330 North Clifton Avenue, rather than the surface lots to avoid having their cars towed.

Commuter students at the Loop Campus must park in public garages. Garages located near the Loop Campus frequently offer special rates for DePaul students with validation. In all cases, students should try to arrive early for class because parking fills rapidly.

## CTA U-Pass

The Chicago Transit Authority (CTA) provides public transportation via the elevated trains (the "L"), buses and subway systems. Students traveling between the Loop and Lincoln Park campuses for classes or just wanting to get around the city will find public transportation to be an affordable, efficient and safe way to get to and from class.

The CTA U-Pass is the ticket to unlimited riding aboard CTA buses and trains. The U-Pass is valid on all CTA-operated bus and rail lines 24 hours per day and seven days per week; however, the U-Pass does not work

during winter break or summer vacation. For more information, visit [upass.depaul.edu](http://upass.depaul.edu).

Ventra, the CTA's fare payment system, provides customer service specifically related to fares for the U-Pass. Students may interact with Ventra to register the card, to add CTA fare to their card between quarters, or for concerns with the U-Pass not working at a train station or bus. To contact Ventra, students can call 1-877-NOW-VENTRA (1-877-669-8368).
