Dear Students,

It is an honor to welcome you to DePaul University. You have chosen an exciting time to join our community, particularly because we will celebrate DePaul’s 125th anniversary during the 2022-23 academic year.

This calendar not only shares important dates, but also offers information on the many programs and services available to DePaul students. We offer an array of opportunities to develop and expand skills, as well as a number of services to support student success. From advisors to career coaches, our staff support our students every step along the path to graduation. I encourage all of our students to learn about and take advantage of everything that is available to you.

At DePaul, we prioritize hands-on learning inside and outside of the classroom, and we also offer many opportunities to connect with other students outside of class. These opportunities allow students to develop skills, but also build community, serve the university and Chicago and create a complete DePaul experience. Make sure to visit our online engagement tool, DeHub, at dehub.depaul.edu to learn more about student organizations, service opportunities and events on campus.

Of course, every DePaul community member is here to support our students and help them be successful at DePaul and beyond. The Division of Student Affairs has 12 departments specifically dedicated to student academic success, student engagement and student support. Learn more about us at studentaffairs.depaul.edu, and reach out to us at any time with any questions or concerns.

Thank you for choosing DePaul, and once again, welcome.

Sincerely,

Eugene L. Zdziarski, II, PhD
Vice President for Student Affairs

Alumni and Family Weekend

DePaul hosted annually and co-hosted by the Office of Student Involvement and Alumni Affairs, this is a full weekend of events planned to welcome alumni and families to campus in the fall.

Blue Demon Week

Blue Demon Week brings together students, faculty, staff and alumni to celebrate what it means to be a DePaul Blue Demon. Student organizations and departments from across the university plan a week of events for the DePaul community, and there’s something for everyone. Once a Blue Demon, Always a Blue Demon.

Blue Demon Welcome

Blue Demon Welcome: New Student Convocation celebrates the beginning of the DePaul journey for all new undergrads including freshmen and transfer students. The newest members of DePaul will join a proud community founded on the principles of learning, service and justice at this event.

CHICAGO QUARTER

The Chicago Quarter is a required course for all first-year students. Offered during the Autumn Quarter, Discover Chicago and Explore Chicago courses acquaint first-year students at DePaul with the metropolitan community, its neighborhoods, cultures, people, institutions, organizations and urban issues. Students also learn about university life, resources and how to be a successful student through the Common Hour portion of each Chicago Quarter course.

CHICAGO QUARTER SERVICE DAY

Chicago Quarter Service Day invites DePaul’s Discover Chicago students to come together with the communities of Chicago for service and reflection. For the newest members of the DePaul community, the experience is structured as an invitation to strengthen our connection to one another and put our Vincentian mission and values into practice.

CULTURAL AND IDENTIY HISTORY AND CELEBRATION EVENTS

There are a number of cultural and remembrance events throughout the year, and DePaul celebrates many of them in many different ways. They include:

January: Rev. Dr. Martin Luther King Jr. Day Diversity Breakfast
February: Black History Month National Women’s History Month
March: Asian Pacific American Heritage Month, Lee Bogg Heritage Breakfast, Jewish Heritage Month
May: LGBTQIA+ Pride Month, National Hispanic-Latino Heritage Month, Dolores Huerta Diversity Breakfast
June: LGTBQA+ Pride Month
September: Midnight Breakfast

Cultural and Identity-Specific Graduation Celebrations

The Office of Multicultural Student Success, in partnership with the Office of Institutional Diversity and Equity and cultural student organizations at DePaul, plan and implement cultural and identity graduation celebrations throughout spring. These include Black Graduation, Asian Pacific Islander Desi-American Graduation, Marsha P. Johnson and Sylvia Rivera Gala and Graduation Celebration, Latinx Graduation Celebration, and others.

FEST

FEST is an over-thirty-year-old annual spring tradition at DePaul. Usually held in late May, FEST brings a major talent to the Lincoln Park Campus Quad for a concert that allows students to decompress before the ramp up to finals. There are opening bands and an After-Hours event, as well.

Holidays at DePaul

Celebrate the Most Wonderful Time of the Year with DePaul University. As our Vincentian tradition calls to honor all human dignity, we celebrate all holidays throughout the season with our Holidays at DePaul week. Signature events during this time include Christmas at DePaul, the Ugly Sweater Party and the President’s Annual Tree Lighting Ceremony.

InvolveMent Fairs

InvolveMent Fairs hosted in the fall and winter, the InvolveMent Fairs give students an opportunity to learn more about DePaul’s 300+ student organizations, meet new people and get involved on campus. Registered and recognized student organization leaders staff tables and share information about their organization and activities.

Dine on Campus

Dine on Campus allows you to check all dining hours, menus, nutritional information and mobile order from the Student Center or DePaul Center from Dining Services.

D-Zone

Take your fan experience to the next level and get rewarded for your loyalty. Download the D-Zone app and check-in at DePaul athletic events to rack up points and unlock awesome prizes. Download from the Apple App Store or Google Play.

DeHub

Get connected and engaged with DeHub. Discover amazing student organizations, find new activities, and plan events on campus via a contactless check-in. The DeHub app is the mobile version of DePaul’s online student org management platform available at dehub.depaul.edu.

Midnight Breakfast

Held in the fall and winter, the InvolveMent Fairs give students an opportunity to learn more about DePaul’s 300+ student organizations, meet new people and get involved on campus. Registered and recognized student organization leaders staff tables and share information about their organization and activities.
**KEEP IN MIND**

With a variety of events planned at this time of year, students should find one or two (or more!) to attend, as national research shows students who are involved in activities outside of class do better academically. The Office of Student Involvement is a good resource for students, and so is DeHub, DePaul’s online engagement tool. Many DePaul departments and student organizations host events regularly for students to have fun and meet one another.

Students who would like to study abroad during their time at DePaul should start planning as early as possible. The Study Abroad office has daily Study Abroad 101 sessions, events and advisors to help with planning. The first application deadline for the FY@broad programs for first-year students is November 1, so don’t miss the chance to apply.

KEEP IN MIND

October presents the first round of midterms for students, so words of encouragement or a care package might be a great way for family members to show their support.

Winter quarter registration begins: students should schedule a meeting with their academic advisor to discuss classes for winter in advance of their registration date.

Roommate conflicts may emerge, as personality differences and living preferences present themselves. The Department of Residential Education can assist students living in the residence halls with navigating these issues.

BELOW: Vinny Fest is held each year during Welcome Week in September. If the weather cooperates, it takes place in the Lincoln Park Quad and offers students a number of stations and activities that help acquaint them better with DePaul’s Vincentian mission. Pictured here are (LR) Eugene L. Zdzierski, II, PhD, Vice President for Student Affairs, a Louise de Marillac impersonator, Demon in a Blue Suit (DIBS), a St. Vincent de Paul impersonator and Rev. Guillermo Campuzano, Vice President for Mission and Ministry.

ABOVE: The Fr. John J. Egan statue in front of the Lincoln Park Student Center was installed in 2004, three years after Egan’s death. Egan was a Vincentian priest and soldier for justice who began and ended his career at DePaul. The statue is a powerful reminder of the university’s Vincentian mission and values.

**KEEP IN MIND**

Academic pressures may emerge as pre-finals stress sets in. Students can reach out to professors and advisors for support and assistance.

As students who live on campus prepare to return home for winter break, students and their families should consider discussing expectations of each other during the break.

The FAFSA (Free Application for Federal Student Aid) has been open for a month, so now is a good time to complete this process. Because many sources of funds are limited, or are subject to deadlines, it is important to file the FAFSA for the coming academic year as early as possible after October 1.

The Ray includes four floors featuring racquetball courts, 25-yard long pool, cardio and weight machines, free weights, free group classes and a 200-meter track.
**KEEP IN MIND**

Around this time, students begin to get excited and anxious about the holiday season and winter break. After a quarter of independence, keep in mind that relationships with family and high school friends may have changed.

There will be excitement to reconnect with family and old friends, but often, students miss their DePaul friends, too.

**BELOW:** Students enjoy a variety of activities at the Ugly Sweater party and President's Tree Lighting Ceremony in the Lincoln Park Quad. This tradition started in 2018 and takes place each November.

**ABOVE:** McGowan South, the four-story science facility opened in 2009, was named after Monsignor Andrew J. McGowan. It is a LEED certified green building and houses the chemistry and environmental science departments. The mural in the background of St. Vincent, designed by photography student Mary Vucekovich-Jeon, is composed of 10,000 individual photographs of students pursuing science studies.

KEEP IN MIND

With one quarter complete, students may be ready to take on new challenges or may need to improve on the past. This is a good time for them to reflect on the previous quarter and set goals for the new one. Refer to the “Learning Support” section of the calendar for specific tutoring support, or visit go.depaul.edu/success to learn about the many ways DePaul supports student success.

Applications for many of next year’s paid, on-campus leadership positions become available this month—students should be on the lookout for information about these roles.

ABOVE: Each winter as part of Winter Welcome Week, DePaul faculty and staff serve a pasta dinner to hundreds of hungry students. Students also enjoy live music and games. This tradition, started in 2018, serves to build community and affinity among the DePaul community. In this picture, Vice President for Student Affairs, Eugene L. Zdziarski, II, PhD, and Sylvia Morales of Student Financial Accounts prepare to serve up some pasta.

BELOW: The Harold Washington Library-State/Van Buren “L” Brown Line stop opened in 1897 and is located on the south end of Chicago’s downtown loop. This stop serves the DePaul Loop Campus and the Harold Washington Library, which is the central library of Chicago Public Library system.
KEEP IN MIND

It’s cold in Chicago, and most of us need a little more motivation to stay active; DePaul students can take advantage of more than 65 free fitness classes at the Ray Meyer Fitness and Recreation Center.

KEEP IN MIND

Warmer weather has arrived, and we’re all ready to get out and explore Chicago. Students should take advantage of all that Chicago has to offer, but do it safely, with friends.

Many students at other universities may be finishing up their spring semesters while DePaul’s term runs into June, so DePaul students may be feeling left out as friends return home before them. Remember to stay focused until the end of the quarter.

ABOVE: Go Cubs Go! Located just two “L” stops north of the Lincoln Park Campus, Wrigley Field is home of the Chicago Cubs, a team popular with many in the DePaul community.

BELLOW: More widely known as “The Bean,” this popular Chicago landmark and photo spot is actually named Cloud Gate. It is located in Millennium Park in downtown Chicago and is a public sculpture created by British artist Anish Kapoor. Cloud Gate is 66 feet long, 33 feet high and weighs more than 110 tons. Its mirror-like appearance offers great reflections of the Chicago skyline. It is a signature landmark in Chicago.

We will gather ’neath the banner
’neath the scarlet and the blue
While in song we sing your praises,
Praises for old DePaul U.
Let the battle wage and threaten
Yours the victory to claim
While we fight beneath your standard
Proud: Exalting in your name

A VINCENTIAN FAMILY PRAYER OF WELCOME

Divine Creator;

We give thanks for the gift of community—for those who have brought us to this moment and those we will encounter at DePaul. As we are welcomed into this Vincentian family, may we graciously welcome others into our life. Help us to care for this community and trust in its care for us as we journey together.

As we open this new chapter in our life, ease any worries and anxieties. Remind us that we are not alone but always welcomed as family or friend.

Within this community, may our hearts be open and may we be inspired to grow as we explore, “what must be done.”

May the legacy and inspiration of St. Vincent de Paul and St. Louise de Marillac be with us and lead us in the way of wisdom. AMEN.
