

Two-Day Premiere DePaul 2025 Parent and Guest Schedule

DAY ONE

Check-In, Information Fair, and Lunch

After checking in between 10:30am and 11:45pm with your student, visit with representatives from departments around campus to learn more about the many opportunities available to DePaul students. Be sure to leave enough time to enjoy lunch upstairs using the voucher provided at check-in before the program formally begins at 12:00pm.

***NOTE: Students in the University Honors Program will check in at 9:30am.*

Welcome to DePaul University

At 12:00pm, the University welcomes new students, parents, and guests to Premiere DePaul!

Afternoon Session & Activities

Parents and guests will start the afternoon with a session introducing parents and family members to their new partnership with DePaul. Other afternoon sessions will address typical college student issues and many exciting opportunities and resources available here at DePaul. Presentations by academic leadership in the Colleges, Housing, Financial Aid and Student Accounts, and Study Abroad representatives will be offered. A mid-afternoon coffee break will provide parents and guests with an opportunity to meet staff from the Division of Student Affairs as well as one another.

Dinner

At 6:30pm, students and parents/guests will reconnect and enjoy dinner. The day ends here for parents and guests, but the students' day continues into the evening if they choose to spend the night on campus. Students will participate in some evening activities and then spend the night in LeCompte Hall. If your student chose not to spend the night, they can depart with you after dinner and return to campus the next morning to complete the program.

DAY TWO

Start the morning with breakfast from 8:30-9:15am, followed by sessions highlighting DePaul students' paths to graduation and Public Safety.

Beginning at 11:00am, students and parents/guests can participate in a series of optional activities including a campus tour of the Lincoln Park or Loop campus, a visit to the Campus Bookstore, drop-in appointments at campus resource offices, etc. We encourage students and their families/guests to take care of any remaining business before they leave campus. Our staff team is happy to offer up recommendations for lunch on your own at one of the many local restaurants should you like to explore the neighborhood before you depart.
