Why Study Abroad

- Improve career outcomes
- Engage academically
- Build social networks
- Graduate on time

Term-Long, *One quarter or longer*

“The three most valuable things I gained through study abroad were increased foreign language skills, exposure to a new culture, and the ability to problem solve independently”

Short-Term, *1-3 weeks*

“I gained exposure to social media marketing concepts and the impact on cultures outside of my own. I have an understanding of how to implement my learnings into a future career within social marketing.”
