## Letter from the Director

September 5<sup>th</sup>, 2018

Dear Colleagues,

This purpose of the Student Centers Policy and Procedure Manual is to document the parameters and methods of administrating the Student Center facilities and program at DePaul University. This document offers a comprehensive listing divided into event planning and production, general facility use.

These guidelines take into account life/safety and legal aspects of administrating our facility; equal, respectful, and fair treatment to all our constituencies; and protection of our community, its guests, and the facility. We publish this document via our website so as to display openness and transparency in applying University guidelines.

DePaul University Student Centers is primarily a service department. Service to the University community should be the paramount consideration. If we can, we do.

It is preferred you keep this manual nearby and refer to it as necessary. It is advised to review it periodically. The goal of this work is to be comprehensive. If you discover an issue not covered in this work, please document it for the Associate Director so it can be added.

Thank you, I appreciate the quality work you do delivering services to the DePaul University community.

Rick Moreci  
Director, Department of Housing and Student Centers

## **Student Centers Mission Statement**

The Student Centers of DePaul University are the centers of community activity.

The Student Centers are looked to as DePaul's gathering places by providing amenities and services to promote out of classroom interaction between students, faculty and staff. We become the Main Street of DePaul inviting the community into our welcoming and comfortable environments.

Students are free to gather with others, indulge in a variety of dining experiences, meet new friends, and join others through a vast number of student groups and gathering places in the facilities.

With outstanding facilities and services for events, programs, and dining service's needs, the Student Centers facilitate cultural, social, and educational programs.

This support creates a partnership with student organizations, departments and other university community members, which upholds the holistic approach to the DePaul educational mission.

## Catering, Food and Beverage Policies

### Alcohol Service and Use in the Student Center facilities

In general, alcohol cannot be consumed in Student Center facilities unless in accordance with the policies and procedures below.

- The use of alcohol at campus events and programs is strictly regulated.
- In accordance with DePaul University guidelines on 'Drug Free Workplace and Legal Drinking Age Compliance' (<http://policies.depaul.edu/policy/policy.aspx?print=Y&pid=259>), alcohol may not be consumed in Student Center facilities, except for planned programs that meet the criteria below.
- Alcohol for campus meetings, events, and catered programs must be served through DePaul University's caterer, Chartwells.
- Bartenders scheduled through Chartwells must be used. Typically, one bartender is scheduled for each seventy-five (75) guests expected. This is determined on an event to event basis for the particulars of each program. The cost for bartender service is the responsibility of the sponsoring organization.
- Security often needs to be present for programs with alcohol. Final determination is made by Student Centers in consultation with Public Safety. There is a cost for security. The cost for security service is the responsibility of the sponsoring organization.
- Alcohol can only be present in spaces where all attendees are the age of majority or older. In the State of Illinois, the age of majority is 21 years old. If guests may be under the age of majority, the alcohol must be in a defined space, such as a separate room, where only guests 21 and over enter. Alcohol must stay in that designated area. Alcohol is not allowed outside the designated area.
- All attendees will be required to show a valid picture ID card, typically a state driver's license or state issued photo identification card, clearly showing they are 21 years of age to enter the area with alcohol and be served.
- Some programs will require wristbands with tear off tabs to regulate number of drinks. Tear off tabs must be removed by the bartender. Torn off tabs will not be accepted by the bartender.
- A meal, hors d'oeuvres or snacks, and non-alcohol beverage choices in proportion to the number of guests attending, must also be ordered. Food and beverage costs are the responsibility of the sponsoring organization.
- Bartenders are empowered to discontinue service to any individual(s) or the entire group at their discretion. Sponsoring groups are required to support that decision.
- The general limits for alcohol consumption time is 2.5 hours and/or up to 3 drinks per guest. Shorter serving times will result in lesser drink limits.
- Programs with alcohol are not allowed on exterior campus premises.
- If alcohol is found in a Student Center Facility, Public Safety and the Dean of Students will be notified. If alcohol is found as part of a student group event, Student Involvement will be notified as well.

- Alcohol possession and/or consumption at an event in the Student Center will result in the loss of reservation privileges of the sponsoring organization for a minimum of ten weeks. In addition, all current reservations will be cancelled.
- 
- Any damages that occur to facilities and furnishings from an event will result in automatic billing to the sponsoring organization at replacement cost. Future reservations may be impacted.

For Registered Student Organizations:

- Registered student organizations are those that are registered with the Division of Student Affairs' Office of Student Involvement.
- Registered student organizations must have the advance approval of the Associate Vice President for Student Development, Student Affairs. The request process is on Org Sync and takes a minimum of 4 weeks.
- The student organization must read and abide by the Student Code of Responsibility regarding Alcohol Policy, and will ensure that no minor be served alcohol.
- The advisor of the group must be present.
- The advisor of the group and student leaders are asked not to consume alcohol, in order to manage their program.

### **Food/Catering**

Due to the nature of the contractual relationship of DePaul University and its dining service provider, Chartwells, no outside catered food for meetings, events, or groups may be brought into any DePaul University owned and operated facility.

- Chartwells holds an exclusive contract with DePaul University for catering in DePaul University owned and operated facilities. See the full exclusivity policy for full details - <http://policies.depaul.edu/policy/policy.aspx?pid=124>
- Chartwells must provide all food and beverage service at an event in any Student Center Facility or surrounding outdoor areas. This policy is strictly enforced.
- Recognized Student Organizations are allowed to bring up to \$250 worth of outside food for campus events. The responsibility for cleaning up any remaining food or garbage for this or donated food (see below "**Food Donation**" policy) rests with the student organizations.
- Requests for exemptions for meetings must be submitted for approval of the Director of Student Centers no later than one week prior to the event. Written approval must be granted prior to the date of the meeting.
- Any organization bringing in its own food or beverages in violation of these policies will lose their right to meet in the Student Center for a minimum of one quarter or ten weeks.

### **Food Donations**

Request for donations of food and beverages by recognized student organizations and departments are to be determined according to the following guidelines:

- All requests for donations of food and beverages by recognized student organizations are to be forwarded to the Director of the DePaul University Student Centers. He or she will review and approve or deny the request with a written communication.
- The sponsoring University department or student organization that is receiving the food/beverage donation is asked to complete the 'Catering Request Form' located on the DePaul University Policies and Procedures website <http://policies.depaul.edu/> and send it to the Director of Student Centers no later than two weeks in advance of the event. In addition, the donating restaurant or organization is asked to complete the 'Catering Donations Form' also found on the DePaul University Policies and Procedures website <http://policies.depaul.edu/>, including information on the handling of prepared foods, and send that no later than two weeks in advance to the Director of Student Centers. A written response will then be given to the sponsoring/student organization department.
- Most donations will be done 'in-kind'. If a restaurateur or donor would like an acknowledgement letter of the donation, the Director of the Student Centers will forward the request to the Development Office. DePaul's Development Office acknowledgement letter does not include a dollar value.
- Please also note that requests that include donations of alcohol may need further approval from the Treasurer's Office and Office of the General Counsel for risk management purposes and will require a minimum of a two week lead time.
- The group receiving the donated food will be responsible for the cleanup of all items associated with the donated food. Failure to do so will result in a minimum cleanup fee of \$50.00 depending on the nature of the event and the extent of the cleanup required.
- See the University policies on food donations - <http://policies.depaul.edu/policy/policy.aspx?pid=254>

### **Hours**

- Amplified sound cannot begin before 8:00 am and extend past the hour of 9:00 pm
- All load in and load out of any sound amplification equipment must be completed by 10:00pm. All programs must end in time so that loading of all equipment can end by 10:00pm.

### **Notification of Neighbors about Amplified Sound**

- Program organizers for programs with amplified sound must work with the Office of Community, Government and International Affairs to notify neighbors that an event is taking place that includes amplified sound. With an announcement flyer, the neighbors are much more accepting of noise surrounding the event. Neighbors should be informed about start and end times and generally what is involved in the event such as amplified sound and music.
- Program planners must flyer the surrounding residential blocks prior to the event on the Quad. The flyers that notify the neighbors should be distributed no later than one week prior to the event on the Quad. The following blocks must be notified:
  1. Residents on the north side of Fullerton from Seminary to Racine (there are very few)
  2. Montana (the first street north of Fullerton) from Racine east to Sheffield...both sides of the street.
  3. Residences on the south side of Belden from Clifton to Kenmore
  4. Residences on the east side of Clifton from Belden south to Webster
  5. Residences on both sides of Seminary from Belden south to Webster
  6. Residences on the west side of Kenmore from Belden south to Webster
  7. The Oscar Mayer School...deliver to Principal (only if the event start time is in the afternoon when Oscar Mayer is still in session)
- All blocks listed above must be given notices of the event. Failure to flyer all of the blocks listed will result in the cancellation or relocation (space permitting) of your event.

### **Animals**

If animals are involved in a program or event, the following must be submitted with the Event Planning Form:

### **Safety Plan**

- All details must be outlined to Student Center's staff satisfaction. A safety plan should include all program components and how people will be safe at all times. If an animal is being ridden, show how you will stress the importance of having the riders pay attention to the handler's instructions. Include in your safety plan a place where onlookers are at a safe distance.

## Space Use

- When animals are present at a program, space reservation will be limited to the main quad area only. St. Vincent's circle cannot be used. Additionally, the event may not occupy or place obstructions on the main north/south roadway in the quad.

## Clean Up

- The handlers and program planners are completely responsible for any and all cleaning of the quad during and after an animal is present. This includes any waste from the animal as well as any equipment or materials from the program.

## Arts and Letters Patio

- **The Arts and Letters Patio is available for "As-Is" use. Additional catering tables may be requested but additional seating is not available.**

## Billing (if charges are applicable)

- Chartfield, deposit, or payment arrangements are required to process reservations with billable charges.
- All invoices must be paid within 30 days

## Cancellations

- Standard Event cancellations require at least 3 days notice to the Student Centers Administration Office.
  - Late cancels are accepted within that 3 day time period. Please email [studentcenter@depaul.edu](mailto:studentcenter@depaul.edu) or call 773.325.7346
- We request at least 2 weeks notice for Special Event however, 3 days is the minimum. Charges may apply for cancellations within 2 weeks.
  - Late cancels are accepted within that 3 day time period; all charges will still apply. Please email [studentcenter@depaul.edu](mailto:studentcenter@depaul.edu) or call 773.325.7346.
- Failure to notify Student Centers of event cancellation may result in suspension, or loss of reservation privileges in Student Center Facilities.
- If an event is cancelled all applicable charges still apply.

## Cleanliness of the Quad

- It is the group's responsibility for maintaining the grounds in the quad during and after an event. Proper planning includes an estimation of how many garbage cans would be needed for the type of program. This will vary from event to event but a good estimation is one garbage can for every 50 people attending the event. During the program, organizers should monitor the grounds of the quad and the levels of garbage in the trash cans. After the program, event coordinators should pick-up and throw away any litter on the grounds and inform Facility Operations if there is a need for more garbage cans or if trash is overflowing.
- To request additional garbage cans or to notify Facility Operations that the cans are full, call 773.325.7377 during business hours. Call Public Safety if the program is after hours (4:30p) at 773.325.7777.

- Groups should leave the grounds as found if not better. Damages to and ground, facilities or fixtures are to be repaired only by DePaul University Facility Operations and all associated costs for repairs or replacements will be billed directly to the sponsoring group.

These may include, but may not be limited to, displays on the Quad’s green space or ribbons tied around the Quads trees. All displays must be approved per the space reservations policy of the Student Center for the Quad. The Quad of the Lincoln Park Campus is the only external space that may showcase displays. Following are specific guidelines for exhibits and displays.
