BALANCED DINING FOR STUDENTS’ HEALTH
DePaul University’s dining services embrace environmental, health and wellness lifestyles. The Balanced U program shows students how to make the best choices for their health preferences based on a simple set of identifiable icons. Whether students are vegan, vegetarian, gluten or lactose intolerant, or are just looking to keep a healthy lifestyle in balance, the Balanced U program offers the tools for these choices. A complete set of nutritional values is available at each dining location on campus.

Any student with special dietary needs should contact the Department of Housing Services at housing@depaul.edu. Students can take an individualized tour of dining facilities with a member of the dining services leadership team by emailing JLEE156@depaul.edu.

The University Center also offers many health and wellness food choices. Visit the business office to speak with a dining center specialist or email housing@universitycenter.com for more information.
**DINING LOCATIONS**

DePaul University offers meal plans that provide a variety of choices designed for campus residents. Our dining locations give residents a number of meal options, including burgers and chicken, great soups and salads, full meals or just a quick snack. Vegetarian, vegan and gluten-free meal selections are plentiful for discerning diners. Residents with allergies or other specific dietary needs will be accommodated on an individual basis.

Meal plans are required for all residents living in Lincoln Park housing and residents of the University Center living in suite-style units.

**MEAL PLANS**

The full quarterly meal money will be added to the respective ID card at the beginning of each academic quarter.

**DePaul Meal Plans**

DePaul meal plans operate on a declining balance structure, i.e., the balance of the plan is reduced as purchases are made. Meal plan allowances will be available on the first day of each quarter and will carry over until the end of spring quarter, at which point any remaining balance will be forfeited.

**University Center Meal Plans**

University Center meal plans have a specific number of meals that can only be used in the University Center’s dining center. Meal allotments begin on Monday and continue through Sunday. The meal allotments are reset every Monday during the quarter and are only available while DePaul classes are in session. University Center meal plans also provide “flex” money each quarter that can be used for store purchases outside of the second-floor dining center and when DePaul classes are not in session (such as winter break). Flex money is available on the first day of each quarter and will carry over until the end of spring quarter.

**Meal Plan Changes**

Residents may make changes to their meal plan no later than the second Friday of the quarter/semester in which the change is to take effect. Meal plans cannot be reduced below the established required minimum. Change requests may be made through the “Dining Options” tab at offices.depaul.edu/housing.

**Meal plan cancellations, as a result of a housing cancellation, will not receive a refund after the second Friday of the quarter/semester.**

Lincoln Park meal plan funds and University Center flex dollars will be forfeited at the end of spring quarter.
